Civility requires a person to respect other people's opinions and beliefs even if he or she strongly disagrees. It is finding a common ground for dialogue with others. It is being patient, graceful, and having a strong character. That is why we say "Character Counts" in Town of Loxahatchee. Civility is practiced at all Town meetings.

Please remember that there is a three (3) minute time limit on all public comment. INTRODUCTION

This Purchasing Policy and Procedures Manual ("Manual") is intended to guide users through the purchasing process for the Town of Loxahatchee Groves ("Town") and to establish specific directions, guidelines and requirements for employees and agents of the Town to use in purchasing goods and/or services. This Manual supersedes the entirety of any and all previous Purchasing Policy and Procedure Manuals in effect prior to October 1, 2020.

The Town maintains a unified purchasing system with decentralized responsibility. The Town's purchasing process provides for increased economy in purchasing activities, enabling the Town to maximize, to the fullest extent practical, the purchasing value of public funds by fostering effective broad-based competition, while ensuring fair and equitable treatment of all vendors who deal with the Town. The Town's goal is to utilize the most cost-effective methods possible, while maintaining the appropriate quality or service needs. Both commodities and services will be acquired at the lowest and best price, except where otherwise provided by applicable Florida Statutes, Town Ordinances and Resolutions and this Manual. In addition, this manual provides safeguards for maintaining a purchasing system of quality and integrity and also is intended to provide for increased public confidence in the procedures followed by Town purchasing.

The policies and procedures contained herein apply to all expenditures including but not limited to commodities, services, and construction of infrastructure and facilities by the Town regardless of the source of the funds. Additionally, when the purchase or procurement involves the expenditure of federal assistance, other grant programs, or contract funds, the process shall be conducted in accordance with any mandatory requirements, including applicable federal law, regulations and contractual provisions that must be adhered to by the selected vendor. All purchases shall be for a public purpose and in accordance with this Manual, unless otherwise exempt by the provisions hereof.

It is incumbent upon each user to follow purchasing procedures. Further, it is the duty and the responsibility of each Department Director and the Chief Procurement Officer to monitor compliance with all purchasing and procurement policies and procedures. Improper procedures must be corrected while proper procedures must be recognized and encouraged. Purchases cannot be made until properly authorized. This means all appropriate paperwork, including proper signatures, must be completed prior to ordering or entering into any agreement for any goods or services.

PART I: Purchasing Policy

Section I

General Provisions

A. PURPOSE

The purpose of the Purchasing Policy is to provide guidance and support for the formal rules adopted by the Town Council governing the purchasing process contained in the Town's purchasing ordinance, Ordinance No. 2020-02.

The following principles of procurement govern the procurement of all goods and services and all other acquisitions for value for the Town within the scope of this policy.

1. The Town shall follow generally accepted public procurement practices, and to the extent practicable, implement the legislative intent of Section 287.001, Florida Statutes, where and as applicable.
2. Fair and open competition is essential to public procurement. Such competition is conducive to assuring public confidence that contracts are awarded equitably, economically and efficiently. The implementation of the principles of this policy may not, in every case, result in the most expeditious or inexpensive form of procurement; nevertheless, a sacrifice in time or economy may occasionally be necessary to ensure quality procurement and to preserve a procurement system which fully adheres to Town standards of public accountability.
3. The Town strives to provide the greatest opportunity, for vendor participation through the frequent use of the competitive process. The Town may use certified minority and women business enterprises and will endeavor to actively encourage their participation in the Town's procurement process.
4. Contract negotiations shall be conducted in a manner that ensures that the Town receives fair value for its money, and that contractors receive fair compensation for their goods and services. Written contracts shall clearly set forth the understanding of the parties and provide an agreed upon method of resolving disputes before they occur; therefore, the Town desires to enter into contracts written in clear, concise, and comprehensive language with terms and conditions that are fair and equitable to the contracting parties.
5. Full documentation and monitoring mechanisms are an important means of establishing public confidence in public procurement and of preventing any improper practices.
6. A perception of integrity is essential to retain public confidence in the Town; therefore, Town employees shall neither solicit nor accept privileges, benefits or exemptions for themselves or others from anyone who have or may have business dealings with the Town.

This policy shall apply to all purchasing and contracting activity, except real property, of the Town, as well as the disposal of all Town property other than real property.

For purposes of this manual the purchasing process is defined in five phases as follows:

- | | |
|-------------------------|--|
| 1. Vendor selection | Identification and subsequent selection of the vendor best meeting identified Town requirements for goods and services |
| 2. Town commitment | Process by which the Town commits to do business with a selected vendor. |
| 3. Contract oversight | Process by which the Town ensures the vendor is in compliance with a contract for goods or services. |
| 4. Payment | Procedures for payment for goods and services. |
| 5. Disposition obsolete | Process by which the Town disposes of surplus, or damaged property. |

B. LEGAL PROVISIONS

This policy establishes policies and procedures for an effective, fiscally responsible purchasing program in accordance with the Town's authority pursuant to the Florida Constitution, Chapter 166, Florida Statutes, as well as its Charter and Code of Ordinances. These purchasing policies shall also be governed and construed in accordance with applicable Florida Statutes. These statutes include, for example, the Public Records and Sunshine Laws set forth at Chapters 119, and 286, respectively, the Consultants' Competitive Negotiation Act, F.S. 287.055, Local Bids and Contracts for Public Construction Works, F.S. 255.20, and such other statutes as may be referenced herein. Additionally, the Town and its elected officials, officers and employees shall comply with the standards of conduct for public officers, employees and agents in accordance with Florida Statutes, Chapter 112, and the Palm Beach County Code of Ethics to the extent applicable to the Town.

In any situation where compliance with this policy will place the Town in conflict with State or Federal Law or terms of any grant, or cooperative agreement, the Town shall comply with such Federal or State law, grant requirements, or authorized regulations that are mandated and which are either not reflected in this policy or are contrary to provisions of this policy.

C. REQUIREMENT OF GOOD FAITH

This policy requires all parties involved in the negotiation, development, performance, or administration of Town contracts to act in good faith.

D. ETHICS

All applicable provisions of the Palm Beach County Code of Ethics, and Town Ethics Ordinance are incorporated herein by reference and made a specific part of this manual. Each person involved in the procurement process must adhere to a high standard of ethics. All employees, officers, council members and board members shall be subject to and must abide by the rules and regulations contained in the Palm Beach County Code of Ethics, Palm Beach County Inspector General Ordinance as well as all State laws regarding procurement.

1. **Prohibition Against Contingent Fees:** It shall be unethical for a person to be retained, or to retain a person, to solicit or secure a Town of Loxahatchee Groves Contract upon any agreement or understanding for a commission, percentage, brokerage or contingent fee.
2. **Use of Confidential Information:** It shall be unethical for any Town of Loxahatchee Groves Employee, Official or Agent knowingly to use confidential information for actual or anticipated personal gain, or for the actual or anticipated personal gain of any other person.
3. **Unauthorized Purchases:** No purchases of Goods and Services shall be made in the name of the Town of Loxahatchee Groves or one of its departments, except such as is required for official use by the Town of Loxahatchee Groves or one of its departments. Purchases in the name of the Town of Loxahatchee Groves or a department for personal use by an individual or for other than official use are prohibited, and no Town of Loxahatchee Groves funds will be expended or advanced, therefore.
4. **Disclaimer of Responsibility for Improper Purchasing:** The Town may disclaim responsibility and liability for any purchase, expenditure, or agreement for expenditure arising from a procurement made in its name, or in the name of any governmental body under its authority, by an unauthorized person or any person acting outside this Policy or the authorization or delegation as provided in this Policy.

E. OFFICE OF INSPECTOR GENERAL

Pursuant to Chapter 2, Article XII of the Palm Beach County Code, the Office of Inspector General is created in order to promote economy, efficiency, and effectiveness in the administration of and, as its priority, to prevent and detect fraud and abuse in programs and operations administered or financed by county or municipal agencies. The Office of Inspector General provides independent oversight of county and municipal operations, in accordance with Section 2-422, et. seq. of the County Code. The Inspector General shall be notified in writing prior to any duly noticed public meeting of a procurement selection committee where any matter relating to the procurement of goods or services by the Town is to be discussed. The notice required shall be given to the Inspector General as soon as possible after a meeting has been scheduled. The Inspector General may, at his or her discretion, attend all duly noticed meetings relating to the procurement of goods or services as provided herein, and may pose questions and raise concerns consistent with the functions, authority and powers of the Inspector General. The failure to give written notice, however, does not constitute grounds for a protest regarding such procurement and shall not be the cause for the stay of any procurement, and shall not be the basis to overturn the award of a contract.

F. IMPLEMENTATION

The Council authorizes the Town Manager and/or designee(s) to implement all other policies, practices and procedures necessary to carry out the provisions of this policy. The Manager may adopt administrative policies and procedures which may be amended from time to time at his discretion. The Town Manager may also make minor changes to this purchasing policy; however, substantive changes such as thresholds require approval by the Town Council.

The use of purchasing cards shall be in accordance with this policy and any corresponding administrative policies and procedures.

Section II Vendor Selection

A. PURCHASING AUTHORITY

The Town uses both express and delegated purchasing authority which is the power to bind the Town in a contractual relationship for the procurement of goods and services. The Council is authorized to contract with various vendors including public agencies, for profit and not for profit corporations and/or other organizations/persons. While all procurement authority lies with the Town Council, it may delegate its purchasing authority when deemed to be in the best interests of the Town. Delegation to the Town Administrator of the Council's procurement authority is authorized in accordance with this policy. Any purchasing authority not expressly delegated is retained by the Council.

The following purchasing authority, including execution of contracts and amendments, is delegated to the Town Manager and/or designees acting on his behalf within the following limits to encumber funding shown in Table 1 below:

**TABLE 1 – VENDOR SELECTION THRESHOLDS
FOR SINGLE PURCHASE COST LEVELS / REQUIRED DOCUMENTATION**

AMOUNT	REQUIRED DOCUMENTATION	REQUIRED APPROVAL	AGENDA
Up to \$1,000.00	Open Market	Department Head	No
\$1,000.01 to \$5,000.00	Three documented verbal or written quotes, to extent possible	Town Manager/Designee	No
\$5,000.01 to \$ 24,999.99	Three documented written quotes, to extent possible	Town Manager/Designee	No
\$ 25,000.00 and over	Competitive Selection	Town Council	Yes

In summary,

- The Town may acquire goods and services through direct negotiation or by some other non-competitive selection when the purchase does not exceed \$25,000 and is otherwise properly approved and documented.
- All purchases of and/or contracts for commodities or services between \$1,000 and \$25,000, individually or in the aggregate, shall require the approval of the Town Manager or designee.
- All single purchases of and/or contracts for commodities or services equal to or greater than \$25,000 shall require the approval of Town Council regardless of method of selection followed.

Additionally,

- Purchases exceeding \$25,000 in the aggregate for the same commodity and/or service for the same project or purpose shall not be purchased from the same person or entity during the course of any fiscal year in smaller increments in an attempt to “split purchases” to avoid required competitive selection and/or Council approval.
- The following purchases are subject to separate vendor selection thresholds and methods under Florida Statutes than those noted in Table 1 above:
 - Professional Services Procurements Subject to Consultants' Competitive Negotiation Act ("CCNA"): Procurements of services for architecture, engineering, landscape architecture and land surveying must follow the procedures set forth in §287~055, Florida Statutes (CCNA),
 - Public Improvement Construction Projects: Procurements for construction projects must follow the procedures set forth in §255, Florida Statutes, and
 - Audit Services: When selecting an auditor to conduct the Town's annual financial audit required by §218.39, Florida Statutes, the Town shall follow the auditor selection procedures provided in §218.391, Florida Statutes.

Under no circumstances may known or anticipated annual requirements for goods and services from a vendor be broken into smaller quantities to circumvent the requirement to use a formal vendor selection process. The Town's purchasing policies are based on the total dollar amount of purchases made with a vendor in a given fiscal year. An annual purchase order must reflect the anticipated total amount of business to be done with a vendor for the year.

The Manager may exempt a transaction(s) from the standard processes of this policy if the transaction presents an emergency or if otherwise exempt in accordance with this policy.

In the event of an emergency, the Manager may provide for expedited competition if practicable and shall also have discretion to suspend or terminate any solicitation or pending procurement when deemed in the best interest of the Town.

B. VENDOR SELECTION METHODS

There are various vendor selection methods that may be used by the Town: Quotes, Invitations to Bid (ITB), Invitations to Negotiate (ITN), Requests for Proposals (RFP), Requests for Qualifications (RFQ), Requests for Information (RFI) and Letters of Interest (LOI).

Quotes, written and/or verbal, are normally used when the expected cost of goods or services is \$25,000 or less. This is the informal method of competitive vendor selection. Quotes must be consistent in content for comparison purposes. Quotes must include the vendor name, contact person, date, a clear description of the goods or services being offered by the vendor, a statement of price, and the terms of the sale. Written quotes may substitute for verbal quotes. Verbal quotes must be documented by the user department and retained on file. Written quotes must be signed and dated by the vendor.

The remaining methods, ITB, ITN, RFP, RFQ, RFI and LOI, are formal competitive vendor selection methods. Competitive vendor selection methods utilize competitive bidding to allow a maximum degree of competition among a number of suppliers offering similar products or services. Formal competitive vendor selection methods must be used when costs are expected to be \$25,000 or more and may be used for smaller purchases when the Town will derive sufficient additional benefit to justify their use.

These methods may also be used for smaller purchases when the Town will derive sufficient additional benefit to justify their use. A determination is made by the Town Manager, after consultation with the user department, as to which formal competitive vendor selection method will be used.

The details of each method of selection are detailed in the accompanying procedures.

The use of existing competitive contracts including piggybacks and cooperative purchases and State/Federal contracts/cooperatives/alliances may serve as an alternate to quotes and/or methods of competitive selection and are encouraged wherever possible.

Exceptions to the required vendor selection methods are permitted in specific instances (See Part C. below in this section) or when pre-approved by Town Manager in other limited instances.

C. EXCEPTIONS TO VENDOR SELECTION THRESHOLDS AND COMPETITIVE SELECTION

The following are exceptions to the vendor selection thresholds and competitive selection methods set forth above, except where State law provides otherwise. Exceptions must be pre-approved by the Town Manager. Purchases not subject to the competitive procurement requirement must still have the same levels of approval as purchases subject to the regular competitive vendor selection process.

1. Town standard, single-source and/or sole-source – only one vendor's goods or services will meet Town requirements. Approval requires written justification by Town Manager or designee as well as letter from vendor and/or manufacturer confirming such designation. The ability to meet a necessary condition dictated by circumstances such as delivery date and repairs and maintenance of a particular item/location can also create a single-source situation which also must be substantiated and approved.
2. Emergency purchases – where an unexpected turn of events such as an Act of God or other urgent circumstances creates: (1) immediate danger to the public health, safety, welfare; or (2) threat of substantial loss to public or private property; or (3) interruption of essential governmental services, the Town Manager or designee may proceed to procure the goods or services necessitated by the emergency without competition (quotes and/or solicitation as set forth in Table 1 above not required). The Town Manager's decision and justification shall be documented in writing and any procurement actions that would have otherwise required competitive solicitation and Council approval shall be ratified by Council at its next practicable meeting.
Upon declaration of a state of emergency by the Town and/or County, State and/or Federal government, all bidding requirements may be suspended upon approval of Town Manager who shall still attempt to obtain comparative pricing through verbal and/or written quotes and proposals to the extent practicable.
3. Purchase of goods or services under contracts of the federal government, the State of Florida, or its political subdivisions (also referred to as "piggybacking").
4. Cooperative Purchasing - Contracts available through the City's participation in governmental purchasing cooperative groups and/or by extension of contract terms available on an existing contract of another governmental entity (piggyback) generally within the last 3 years.
5. Exempt or open market purchases.

There are also a number of services and activities with characteristics that dictate a different standard for competition. Generally, competitive solicitation procedures will be implemented on an annual basis; however, certain types of contracts are not cost effectively recomputed annually due to administrative burdens. These procurements include, but are not limited to: auditing services, banking services, underwriting services, insurance contracts, third party claim services, and leases. These procurements shall be reassessed at regular intervals to ascertain if the advantages of competition outweigh the administrative burdens associated with annual competition.

The following purchases are by their nature exempt from competitive solicitation and written quote requirements:

- a Academic programs, reviews, lectures, seminars and/or other training programs.
- b Advertising: radio, newspaper, television and other media, if exclusive area of coverage or other factors preclude competition.
- c Auditing and accounting services, except that competition shall be provided where required by applicable law, including Florida Statutes, Sections 218.39 and 218.391.
- d Conference, training and educational expenses.
- e Copyrighted materials (books, videotapes and other processed media), except computer software.
- f Debt service and other financing transaction costs.
- g Food, clothing and other promotional items purchased for resale or distribution to the public.
- h Goods and services provided by not-for-profit organizations.
- i Governmental entities:
 - i reimbursements to or fees payable to governmental agencies;
 - ii fines;
 - iii purchases from or services provided by other governmental entities (i.e. Federal, State, County, or non-profit organizations as permitted by F.S., 255.60) and as noted above, Colleges and Universities as well as grant agreements which may contain provisions or requirements related to purchasing policies, disposition of fixed assets, etc. that differ from this policy, in which case, the grant provision/requirement will take precedence;
 - iv licenses and permits;
 - v refunds; and
 - vi any other payments required by law.
- 8. Insurance Adjustments and/or items covered under insurance policies: Property Damage approved and paid by insurance as well as payment of all deductibles on other insurance claims are exempt and does not require additional quotes or Council approval.
- 9. Maintenance service of equipment when services must be performed by the equipment manufacturer, manufacturer's service representative, or a distributor of the manufacturer's equipment (e.g., to avoid warranty issues).
- 10. Membership dues and sponsorships.
- 11. Professional services including but not limited to services provided by
 - a. architects
 - b. engineers
 - c. actuaries
 - d. surveyors
 - e. accountants
 - f. environmental experts;

 - i. financial advisors
 - j. health or medical services involving physicians, examination, diagnosis, treatment, prevention, medical consultation, screening or administration;

 - l. real estate brokers and other related professional services;
 - m. services involving special skill, ability, training or expertise that are in their nature, unique, original or creative;

 18. Reimbursement of bid or proposal securities.
 19. Reimbursement for damages to non-vendor or third parties.
 20. Services involving special skill, ability, training or expertise which are in their nature unique, original or creative.
 21. Shipping and freight costs not otherwise included on a Purchase Requisition.
 22. Software licensing renewals, training, product maintenance and standard upgrades;
 23. Temporary staffing including full and/or part-time contractual services
 24. Utilities, postage, refunds, items covered by insurance policies and legal advertising.
 25. Except where prohibited by law, Council may declare by at least a four-fifths affirmative vote as to exempting a particular procurement from this Policy and/or utilizing a different methodology when deemed in the best interests of the Town.

The foregoing enumeration of services deemed to be exempt from the competitive procurement requirements is not intended to be an exhaustive or exclusive list. The Town Manager or his or her designee may determine if a contractual service must be procured through the competitive procurement process, if not expressly indicated herein.

Further, the exemptions herein do not exempt the purchase from Manager and/or Council approval, if required by the threshold limits. Purchases not subject to the competitive procurement requirement must still have the same levels of approval as purchases subject to the regular competitive vendor selection process.

Section III

Competitive Selection Solicitation Process

A. PUBLIC NOTICE

Vendors are encouraged to do business with the Town. Public solicitation ensures that vendors receive the opportunity to offer goods and services and that citizens benefit from competition and fair evaluation of bids and proposals. Specific notice requirements are included in the procedure provisions of this manual.

B. BID / PROPOSAL BOND

Bid bonds (also known as proposal bonds) may be required in conjunction with responses. They guarantee the responders will not withdraw their bids for a specified time period and will accept a contract, if offered, or will forfeit the bond amount.

Bid bonds shall be required for all construction projects when the total contract price is estimated to exceed three hundred and twenty-five thousand dollars (\$325,000). In all other cases the Town reserves the right to require a bid or proposal bond when deemed necessary by the Town Manager. The Town Council in its sole discretion may require public construction payment and performance bonds, other bonds and/or other security on any Town project estimated to cost less than three hundred and twenty-five thousand dollars (\$325,000).

Bid bonds shall be by cash, a certified or cashier's check, a surety bond or an irrevocable standby letter of credit, or other acceptable form of security in an amount not less than five percent (5%) of the amount of response. If a surety bond is provided, the surety company must be authorized to do business as a surety in Florida.

C. CANCELLATION AND/OR POSTPONEMENT

Any solicitation may be cancelled or postponed and any or all bids/proposals/replies may be rejected in whole or in part when it is deemed to be, at the sole discretion of the Town Manager, in the best interests of the Town. Each solicitation shall generally contain a notice of the foregoing. Notice of cancellation shall generally be sent to businesses solicited, vendors which attended a pre-bid meeting, and any actual bidder/proposer/respondent.

D. TIED BIDS AND PROPOSALS

Tied bids are offers where one or more responsive and responsible bidders offer the same low price for an item or group of items, depending on the method of award. In such instances, the tie shall be broken by the Town Manager or designee flipping a coin in the presence of the Town Clerk.

E. DETERMINATION OF BEST BID, RESPONSE OR PROPOSAL

It shall be the responsibility of the selection committee, Town Manager or designee, Town Engineer, when necessary, department director(s) and/or assigned staff to determine best responsible bid, proposal or response which meets the specifications and conditions of the competitive solicitation document. For bids, proposals or responses requiring Town Council approval, the Town Manager shall submit the recommendation of staff or the selection committee to the Town Council.

F. RESERVATION OF RIGHTS

The Council, the Manager and/or designee shall have the authority to waive minor irregularities. Where a mistake or omission is not evident on the face of the bid/proposal/reply, and the bidder/proposer/respondent points out the error with clear and objective evidence before award, it may be permitted to withdraw its bid/proposal/reply in the Town's discretion, and in accordance with this Policy. No bidder/proposer/respondent will be permitted to correct a material irregularity or otherwise cure a bid/proposal/reply which has been rejected by the Town as nonresponsive. Where a bid security has been

required, withdrawal permitted by the Town normally would be without forfeiture of the security.

The Town may accept a voluntary reduction from a low bidder or offeror after bid/proposal/reply opening, if such reduction is not conditioned on, nor results in, the modification or deletion of any condition contained in the competitive solicitation. A voluntary reduction may not be used to ascertain the low responsive/responsible bid or for purposes of ranking of proposals.

Discussions may be conducted with responsible Offerors whose submitted proposal is determined to be reasonably susceptible of being accepted for award, for the purpose of clarification, and to assure full understanding of responsiveness to the solicitation requirements. Offerors shall be afforded fair and equal treatment with respect to any opportunity for discussion and revision of proposals after the opening and prior to award for the purpose of obtaining best and final offers when provided by the terms of the competitive solicitation and this Manual.

The Town further reserves the right to reject any and all bids, proposals, or replies, to terminate a competitive solicitation process, or to otherwise take any action deemed to be in its best interests.

G. PROTEST PROCEDURES

1. Right to protest. After posting of the recommended awardee, any bidder or proposer who is aggrieved in connection with the recommended award may protest in writing to the Town Clerk. The right to protest is limited to those procurements of goods or services solicited through an invitation for bid, request for proposals or other competitive solicitation procedures. Recommended awards less than the mandatory bid or proposal amount cannot be protested. Notwithstanding the above, the Town Manager may, in his or her sole discretion, include the right to protest in any solicitation process if in the best interests of the Town.
2. Notice of protest. The protest shall be submitted within three (3) business days after posting of the award recommendation (excluding Fridays, Saturdays, Sundays and legal holidays). The protest shall be in writing (which includes emails), shall identify the protestor and the solicitation, and shall include a factual summary of the basis of the protest. Such protest is considered filed when it is received by the Town Clerk. Received means that the protest documents must be delivered to the Town Clerk's office by the cut off time period. Neither the Town Manager nor the Special Magistrate shall consider any issue not submitted in writing within the time frame specified for the notice of protest.
3. Authority to resolve. Protests filed in accordance with paragraph (2) hereinabove shall be resolved under the provisions of this section.
 - a) If the protest is not resolved by mutual agreement, the Town Manager, shall issue a decision in writing within a reasonable amount of time. The Town Manager shall have the authority to:
 - i. Uphold the protest. The protest may be upheld based upon a violation of the provisions of this purchasing code or of any other Town ordinance, resolution, policy, or procedure, or upon discovery of an irregularity or procedural flaw that is so severe as to render the process invalid. If the upholding of the protest will result in a change of the recommended awardee, a new recommended award shall be posted in Town hall. If the upholding of the protest will result in a cancellation of the protested solicitation, the Town Manager may then cancel the solicitation.
 - ii. Deny the protest. If the protest is denied, the protestor has the right to request that the protest be referred to the Special Magistrate as described herein below.

- iii. Refer the protest directly to the Special Magistrate with no determination made by the Town Manager, in accordance with paragraph (3)(c) herein below.
- b) The Town Manager shall issue a written statement of the determination within a reasonable period of time. The written statement shall provide the general rationale for said determination and shall be provided to the protestor and to any other party to the protest.
- c) Upon receipt of a denial of the protest, the protestor may request a hearing before the Special Magistrate. The request for a hearing shall be in writing to the Town Clerk and shall be made within three (3) business days of issuance of the Town Manager's determination. The request for a hearing shall be accompanied by a protest bond of no less than fifteen hundred dollars (\$1,500.00) or the anticipated actual cost of the proceedings and shall be remitted only in the form of a money order, a certified check, a cashier's check, or a bank check payable to the Town of Loxahatchee Groves.
- d) At no time shall a protestor, party, or any other person, contact the Special Magistrate regarding any issue pertaining to or involving the protest. Contact between the Town and the Special Magistrate shall be limited to scheduling and other administrative issues, including the provision and copying of public records pertinent to the protest.
- 4. Authority of the Special Magistrate. The Special Magistrate, appointed to hear the Town's code enforcement cases, shall also hear bid protests and shall have the jurisdiction and authority to hear and decide protests.
 - a) The Special Magistrate shall make a recommendation as to whether the protest should be upheld or denied.
 - b) If the Special Magistrate upholds the protest, the Special Magistrate shall either make a recommendation to cancel the solicitation, or to cancel the award recommendation and post a new award recommendation after reevaluation based on the Special Magistrate's determination of the facts in the case. In these instances, the Town shall return the protestor's bond to the protester.
 - c) If the Special Magistrate denies the protest, the special magistrate shall recommend that the Town Manager proceed with the posted award recommendation. In these instances, the protestor's bond shall be forfeited.
 - d) The Town Manager may accept the Special Magistrate's recommendation or, if he/she determines the Special Magistrate's recommendation is not in the Town's best interest, the original award recommendation may be referred to the Town Council for approval. At that time, the Town Council may accept or reject the recommendation of the Special Magistrate.
- 5. Stay of procurement during protests. Notwithstanding anything contained herein to the contrary, in the event of a timely protest, the Town Manager shall stay the award of the contract unless he/she, with the advice of the Town Attorney, makes a determination that the award of the contract without delay is necessary to protect substantial interests of the Town.
- 6. Failure to follow the protest procedure set forth herein shall automatically nullify any protest or claim brought by an aggrieved Proposer.

Section IV Contracts

A. FORM OF CONTRACT

1. Written agreements. Written agreements shall be utilized for all acquisitions of non-real property, goods or services where the total expenditure by the Town (including expenditures during renewal periods, but not expenditures relating to Change Orders) is estimated to be \$10,000 or greater. The Town may utilize a written agreement for any acquisition of less than \$10,000 that the Town deems appropriate. All written procurement agreements must be approved as to form and legality by the Town Attorney.
2. Purchase orders. Where no other form of contract exists, purchase orders, in a preapproved format, shall be utilized for acquisitions of non-real property, goods or services where the total expenditure by the Town is estimated to be greater than \$1,000. The Town may utilize a purchase order for any acquisition of \$1,000 or less that the Town deems appropriate.

B. PAYMENT/PERFORMANCE BOND

All contractors shall furnish to the Town a performance bond executed by a surety company rated A- VII or higher by AM. Best & Co., demonstrate a successful record of continuous operation, and be licensed, admitted and authorized to do business in the State of Florida and/or provide a clean irrevocable letter of credit issued by a bank within Palm Beach County to ensure the faithful performance of services and all obligations arising under the contract in the amount of 100% of the contract value. A clean, irrevocable letter of credit or bond, either of which meeting the requirements of this section, may be substituted for the other upon approval by the Town. The form of this bond or letter of credit, and the Surety Company, shall be acceptable to Town legal counsel and the Contract Administrator and shall be maintained during the term of the contract. The bond(s) shall be endorsed to show the Town as obligee and it shall provide that bond(s) shall not be canceled, limited or non-renewed until after thirty (30) days' notice has been given to the Town. Current performance bonds evidencing required coverage must be in force and on file at the Town at all times.

C. CHANGE ORDERS

Where a contract has been approved by Town Council, the provisions for change orders are as follows:

1. Beyond the Scope of Work. Any Change Order that materially expands or alters the scope of the work in a Town Council approved contract shall be subject to prior approval by the Town Council.
2. Within the Scope of Work. The Town Manager may approve a Change Order provided that it does not alter the scope of the work in a Town Council approved contract and that the cumulative total of all change orders, for the duration of the contract, does not exceed ten percent (10%) of the contract amount or \$25,000.00, whichever is less.
3. Extension of Completion Dates. Any Change Order that extends the original substantial or final completion date of a Town Council approved contract shall be subject to prior approval by the Town Council, except for the time allowed under Article VIII.

D. TERMINATION, SUSPENSION, EXTENSION AND RENEWAL

Where a contract has been approved by Town Council, the provisions for termination, suspension, extension and renewal are as follows:

1. Termination may only be approved by the Town Council. If the Town Manager desires to terminate a Town Council approved contract, the Town Manager may suspend the work under the contract until the Town Council makes a final determination.

2. Extensions. The Town Manager may extend a Town Council approved contract for up to 90 days. The extension of any Town Council approved contract for longer than 90 days shall be subject to prior approval by the Town Council. In the event of an Emergency, the Town Manager may extend a Town Council approved contract without Town Council approval, subject to later ratification by the Town Council.
3. Renewals. When a contract is entered into by the Town pursuant to Town Council approval and provides for one or more renewals by affirmative action of the Town, only the Town Council may approve such renewals.
4. The Town Manager may suspend a Town Council approved contract for up to 90 days. Suspension of a Town Council approved contract for longer than 90 days shall be subject to Town Council approval.

E. COMPLIANCE

The Town, its vendors and contractors must comply with all federal laws, regulations, and requirements, as applicable including Sections 504 and 508 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act of 1990, as amended, and other related local, state, and federal laws, as well as other related Town policies.

Section V Property Management

A. CAPITAL ASSETS

The Town shall record all capital assets in the amount of \$5,000.00 or greater for inventory and depreciation purposes.

The Town Manager shall have the authority to dispose of all non-real property that is determined to have a value of less than \$5,000. Surplus non-real property with a value greater than \$5,000 will be subject to Town Council approval prior to its disposal.

B. DISPOSAL OF ASSETS

1. Excess, Surplus, and Obsolete Materials

It shall be the duty of the User Department Head to report all excess, surplus or obsolete materials to the Town Manager. At this point, the Town Manager, in conjunction with the User, will examine alternatives as to the most advantageous disposition of the items. Items could be refurbished or reconditioned, transferred, traded in on new equipment or sold by auction or sealed bid.

The Town Manager shall have the authority to dispose of all non-real property that is determined to have a book value or market value (whichever is greater) of less than \$5,000. Surplus non-real property with a book value or market value (whichever is greater) greater than \$5,000 will be subject to Town Council approval prior to its disposal.

- A. Transfer or Re-use: The most gainful method for handling an item no longer needed by a department is to transfer it to another department that has a use for the item.
- B. Trade-In: In replacing obsolete equipment, it may be financially advantageous to trade-in the old equipment. Requests for bids on the replacement item may call for bid prices with or without trade-in and provide that award may be made either way.
- C. Sale: Excess, surplus and obsolete items not transferred or traded-in may be consolidated and offered for sale by auction or by sealed bid method. Auctions can be traditional or contemporary including online auctions such as www.publicsurplus.com, www.govdeals.com, or similar websites. The consolidated list will be submitted to Town Council for approval before an auction or sealed bid is organized. The property offered for sale will be on an "AS IS/WHERE IS" basis. The sale will be given public notice. Sealed bids will be opened at the time and place announced with the Town, retaining the right to reject any and all.

- D. Junk property: The Town Manager may declare that any non-real property that is determined by the Town Manager to have reached the end of its useful life and/or may expose the Town to potential liability from its continued use or sale and/or whose disposition cost exceeds its value, is junk. Non-real property declared by the Town Manager to be junk shall be disposed of without receipt of consideration (or, if necessary, at a cost to the Town) and shall be rendered useless.
2. Sale to Employees
To avoid any appearance of impropriety in the disposition program, it will be the Town's policy to prohibit the direct sale of surplus property to any Town Employee, Official or Agent. This policy does not prohibit any Town Employee, Official or Agent from extending an offer at a public auction or in the form of a sealed bid.
3. Allocation of Proceeds
Proceeds from the sale of excess or surplus property will go into the Town's general fund.

PART II: Purchasing Procedures

Section I

General Provisions

A. PURPOSE

1. Maintain at all times and under all conditions a continuous supply of Goods and Services necessary for the operation of the Town;
2. Encourage and promote fair and equal opportunity for all persons doing, or seeking to do, business with the Town;
3. Safeguard the quality and integrity of the Town's procurement process;
4. Ensure compliance with laws and regulations pertaining to the procurement of Goods and Services;
5. Manage procurement and inventories of purchased Goods to meet the use requirements of Town departments at the most advantageous cost to the Town;
6. Administer procurement contracts and contract amendments;
7. Properly dispose of all material and equipment declared to be surplus or obsolete; and
8. Ensure the Town provides quality service to our citizens.

The philosophy behind these procedures is one of separating the need for Goods and Services from the function of negotiation and executing the necessary contractual purchase agreement.

B. PURCHASING PROCESS

There are three major elements or stages of the purchasing process, each of which is equally important:

1. Planning and scheduling purchasing and purchasing activities to meet program and budgetary objectives:
Planning is necessary in order to consolidate purchases and achieve economies of scale. Scheduling takes advantage of market cycles by anticipating the best time to buy. Departments that budget effectively estimate their need for commodities and services in advance. From these estimates, a purchasing schedule can be created that takes into account and consolidates Department needs.
2. Source Selection:
This is the process through which solicitations are issued, advertisements run, vendors selected, and commodities or services received. Staff in both user Departments and in Purchasing must work closely to define what is to be purchased. Neither department can do it alone. Together, they develop specifications and scopes of work reflecting the Department's knowledge of its needs in delivering services and Purchasing's knowledge of the market. After both departments decide on the appropriate purchase method and type of contract, Purchasing staff issues the solicitation and receives bids/proposals/replies in response to the competitive solicitation or as otherwise provided in this Manual. Purchasing obtains the executed contracts and ensures the commodities/services are delivered in accordance with the solicitation. This separation of duties is a fundamental aspect of the purchasing process.
3. Contract Monitoring and Administration
This element ensures that the terms of the purchase order or contract are enforced and invoices are paid. Lead responsibility for contract administration falls on Department personnel with advice and support from Purchasing. Invoices are approved and submitted for payment and the quality of commodities and services are monitored and evaluated. If the Department wishes to change the

specifications or scope of services, it consults with Purchasing to negotiate a change order. If the Department is dissatisfied with its purchase, then Purchasing forces corrective action by the vendor. When the contract is completed, the Department staff "closes out" the solicitation by, for example, receiving release of liens from subcontractors, recovering equipment from the vendor, completing and evaluating the purchase, making sure all invoices are paid and the purchase file is complete, and forwarding suggestions for improvements to Purchasing. Purchasing shall notify the vendor of applicable suggestions and comments in writing.

The following outlines the more specific procedures in the purchasing process and transaction cycle

Section II

Competitive Selection Methods

Purchases of materials, supplies, equipment and contracted services from outside vendors of the Town in the amount of \$25,000 or more shall be acquired through a competitive solicitation. The competitive solicitation shall contain such terms and conditions, including, for example, the scope of the work, minimum qualifications, time for performance, and such other requirements deemed necessary by the Town. Where applicable, the solicitation specifications shall also include all license fees, permit fees, impact fees, or inspection fees that will be payable by the contractor to the Town. The only permitted exceptions to this policy are those authorized in this Manual.

Invitation to Bid (ITB), Invitation to Negotiate (ITN), Request for Information (RFI), Request for Proposals (RFP), Request for Qualifications (RFQ), and Request for Letter of Interest (RLI or LOI) are effective formal procedures for soliciting competition from vendors in the purchasing sector. The ITB is awarded primarily on price alone. The RFP uses several different evaluation criteria, including price, to determine award. The RFQ ranks respondents based on their qualifications and experience. The RLI or LOI, the least formal process, sends out letters to interested parties to see if they are interested in applying for the work being offered. Evaluation is based on the experience of the responders and follow-on discussions with them. The details of each method of selection are outlined below.

A. INVITATION TO BID (ITB)

An ITB is a sealed bid process used when specifications are well-defined, competition is prevalent, and substitutions are allowable. The ITB shall include instructions to bidders, plans, drawings and specifications if any, the conditions for purchase, packaging, delivery, shipping and payment, contract clauses to be included, bid form, and other required forms and documents to be submitted with the bid and the deadline for submitting bids. As a result, prices obtained are generally lower than “list” pricing. Under this type of solicitation, normally the recommendation of award must go to the lowest responsive and responsible bidder. There are generally no other evaluation criteria considered in this type of solicitation.

B. INVITATION TO NEGOTIATE (ITN)

A written solicitation for competitive sealed replies to select one or more vendors with which to commence negotiations for the purchasing of commodities or contractual services. The ITN may, for example, be used when it is determined that a vendor is a single source or when competitive bidding has failed to produce an acceptable result. Additionally, upon request of the Manager, the Council may, by majority vote, utilize an ITN instead of an ITB or RFP process in order to authorize the Manager or designee to purchase items or services by negotiation, and where the process for short listing and/or ranking for purposes of negotiation will be set forth in the ITN.

C. REQUEST FOR INFORMATION (RFI)

Made typically during the project planning phase where staff cannot clearly identify product requirements, specifications, and purchase options. RFIs clearly indicate that award of a contract will not automatically follow. Information gathered through an RFI is commonly used to facilitate the creation of the solicitation documents.

D. REQUEST FOR PROPOSAL (RFP)

An RFP is a formal request from the Town to vendors to submit structured, sealed proposals. The proposal is to provide a solution to a need the Town has specifically identified. The vendor’s experience and qualifications, together with the proposed solution, is evaluated and may take precedence over price. The evaluations of the proposals may be completed by a selection committee comprised of at least three (3) voting members, who have experience with the need identified which may or may not include Town staff. If

selection committee is to be used the committee members are generally selected by the user department, and the Town Manager or designee facilitates the evaluation and selection process.

All RFPs shall state the relative importance of price and any other evaluation criteria. The Town may engage in negotiations with offerors for the purpose of clarification to assure full understanding of and conformance to the solicitation requirements. Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and such revisions may be permitted after submissions and prior to award for the purpose of obtaining the best and final offer.

E. REQUEST FOR LETTER OF INTEREST (RLI OR LOI)

An LOI is a formal invitation from the Town to vendors to submit an offer to perform a specific job or service. It identifies, in general terms, the work required and directs the respondents to provide a letter regarding the respondent's interest in working with the Town on the particular project(s). Respondents provide a statement of experience and qualifications of key personnel. Costs or fees are not part of the response.

Responses will be evaluated and may be "shortlisted", and the shortlisted vendors may be asked to submit price proposals or engage in negotiations based upon the ranking. The evaluation or ranking may be evaluated by a selection committee and facilitated by the Town Manager or designee as described in the RFP section. Based on the experience and qualifications, the responses are ranked based on the specific evaluation to be utilized for purposes of shortlisting, ranking, and requesting price proposals or negotiations shall be set forth in the RLI. This ranking is presented to the Council requesting authorization to enter into contract negotiations with the top ranked vendor. The resulting contract is then brought back to Council for final approval. An RLI may be used in the discretion of the Town, provided, however, it shall not be used where a different method is required by applicable statute or this Manual. Architectural, legal and management services are examples of when this type of solicitation would be used.

The Town may engage in negotiations with responders for the purpose of clarification to assure full understanding of and conformance to the solicitation requirements. Responders shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals and such revisions may be permitted after submissions and prior to award for the purpose of obtaining the best and final offer.

F. REQUEST FOR QUALIFICATIONS (RFQ)

An RFQ is a formal invitation from the Town to vendors to submit a statement of qualifications. This approach differs from the traditional request for proposals approach in that it places greater emphasis on the actual qualifications of the potential contractor, (his or her track record), rather than how well the potential contractor responds to detailed project specifications and requirements.

The RFQ identifies the desired minimum qualifications of the firm, a scope of work statement, any project requirements, and states the relative importance of selection criteria that will be used in compiling the short list of prospective firms for further consideration.

Responses are evaluated by a selection committee and facilitated by the Town Manager or designee. Depending on the number of qualification responses received, a shortlist of three to five firms are identified for further consideration. These short-listed firms are then interviewed by the evaluation committee. Based on the interview, experience and qualifications, the short-listed firms are ranked. This ranking is presented to the Council for approval along with a request for the proper Town officials to be authorized to negotiate and execute the contract.

G. CONSULTANTS' COMPETITIVE NEGOTIATION ACT (CCNA) REQUEST FOR QUALIFICATIONS (RFQ)

When applicable, the Town adheres to the procedures established by Florida Statutes, Section 287.055, known as the "Consultants' Competitive Negotiation Act" (CCNA). It is utilized specifically to select professional architects, professional engineers, landscape architects or registered surveyor and mapper. An RFQ is utilized to seek professional qualifications and may also be utilized as the method to solicit other types of services which may be based upon a qualification selection process.

- 1 It is a two-step method with selection of a vendor made by merit or qualifications, followed by negotiation of a contract with the most qualified firm. This section applies only to specific projects where the thresholds set forth at Section 287.055(3) are exceeded, and except in cases of valid public emergencies certified by the Manager.
- 2 Firm(s) desiring to provide professional services for a project with the Town shall timely submit qualifications statements containing evidence of current professional status, capabilities, adequacy of personnel, past record and related experience, list of sub-consultants, financial strength and other information required by the RFQ necessary for evaluation.
- 3 The award of any CCNA contract equal to or in excess of \$25,000 shall be approved by Council. Professional services that cost less than the thresholds established by Florida Statute are not subject to competitive selection as defined in FS 287.055 or this Manual. The policies contained herein are a mere summarization of the procedure contained in Florida Statutes, Section 287.055 and the Town personnel are instructed to refer to such provision for additional detail. In instances where CCNA is not applicable based on monetary thresholds, and in the discretion of the Manager, procurement of professional services may be made by any process authorized by this Manual and may utilize an RFP process where separately sealed price proposals are submitted. In such cases, a Selection Committee shall short list no fewer than three (3) vendors based upon qualifications and rank the vendors based upon merit, and qualifications. The price proposals shall be opened after the short listing, and the final ranking shall consider the price proposals received and in accordance with the process to be further described in the RFP. In the event less than three proposals are received, the Committee shall evaluate and rank the responsive proposals received.

H. CONSTRUCTION SERVICES

The procurement of construction services shall be in accordance with this Manual and where applicable, the Town shall also adhere to the requirements established by Florida Statutes, Sections 255.0525 and 255.20 as more specifically noted below.

I. CONSTRUCTION MANAGEMENT AT RISK

This is a method used to procure a Construction Manager, and which may result in a guaranteed maximum price for construction and time for completion. Such procurements shall be in accordance with this Manual, and in any manner authorized by Florida Statutes, including Sections 255.103 and 287.055, or 255.20.

J. PUBLIC-PRIVATE PARTNERSHIPS

The Town may receive unsolicited proposals or may solicit proposals for qualifying projects as defined by Florida Statutes, Section 287.05712, and may thereafter enter into an agreement in compliance with the aforementioned Statute. The Manager may adopt procedures consistent with this Manual and Section 287.05712 relative to the receipt and consideration of an unsolicited proposal. An unsolicited proposal must contain all of the material and information required by Section 287.05712, and such additional information and technical studies as may be reasonably required by the Town. Additionally, the Town may charge a reasonable fee to cover the costs of processing, reviewing, and evaluating an unsolicited proposal, including, but not limited to, attorney fees and fees for financial

and technical advisors or consultants and for other necessary advisors and consultants. The Town may also require a deposit, the amount of which will be determined at the discretion of the Manager, and which is reasonably calculated to cover the costs to be incurred. In its sole and absolute discretion, the Town may reject or otherwise decide not to consider an unsolicited proposal, and which decision shall not be grounds for a protest. In the event the Town intends to enter into an agreement for the project described in an unsolicited proposal, then it shall first provide notice and allow other proposals to be submitted for consideration in accordance with the requirements of Section 287.05712.

Section III

Competitive Selection Solicitation

Once the appropriate vendor selection method has been determined, the solicitation process will be overseen by the Town Manager or designee, as shown below.

A. SOLICITATION DOCUMENTS

The Town Manager or designee will ensure all solicitation documents are properly prepared, with particular emphasis on effective specifications as discussed below and distributed appropriately. In conjunction with preparation of solicitation documents, the Town Manager or designee will be available to provide information to all potential responders.

- 1 User department prepares scope of work, specifications and plans in conjunction with administration who shall schedule dates for issuing the solicitation, prepare the solicitation documents including submission requirements, date, time and location for receipt of bids; where the bids are to be delivered, description or scope of work, evaluation factors (Selection Committee, if applicable), delivery or performance schedule, contract terms and conditions, warranty and bonding requirements, etc. schedule dates for process from issuing to awarding.
- 2 Prepares the Public Notice. Adequate public notice of the solicitation of bids/proposals shall be given not less than ten (10) calendar days prior to the date set forth in the notice for opening of bids and not less than twenty-one (21) calendar days for proposals.
- 3 Conduct the pre-bid/proposal conference and determine with guidance from the user department whether the conference shall be mandatory or optional.
- 4 Conduct the bid opening; the evaluation; Council approval; and issuance of purchase order and/or contract.
- 5 Prepare any addenda, if changes are made to the solicitation document.
- 6 Pick up all bids/proposals/replies from the Clerk's Office shortly after the bid opening date and time and open bids/proposals/replies publicly at the date and time specified in the solicitation documents. The name of each bidder, and other information deemed appropriate shall be read aloud and recorded in accordance with applicable Florida Statutes.
- 7 Prepare a bid tabulation and together with the user department shall determine the lowest responsible and responsive bidder meeting the specifications. In the event a Selection Committee is required, the Selection Committee Guidelines and Procedures described in Chapter 9 shall be followed.
- 8 Upon completion of the evaluation, prepare a Notice of Intent to award to be displayed publicly in the Clerk's Office and posted on www.demandstar.com and www.loxahatcheegrovesfl.gov.
- 9 Issue a Notice of Award after Council approval, and will request the required insurance certificates, performance bonds, and any other contractual documents required from the vendor.

- 10 Prepare a contract and /or approve a requisition request entered by the user department.
- 11 Forward all solicitation documents including bid documents, sign in sheets, bid tabulations, notice of Selection Committee meetings, and notice of intents, etc. to the Palm Beach County Office of Inspector General to the extent required by applicable Palm Beach County Ordinances.

In instances in which professional services are sought or for services where qualifications, and not price, is the determining factor, the Purchasing Division shall prepare a Request for Qualifications, Invitation to Negotiate, or Request for Letters of Interest following a substantially similar process and as otherwise provided for in this Manual.

B. SPECIFICATIONS

The Town Manager or designee will ensure the solicitation documents include specifications that are as well-defined as possible. The user department is responsible for developing specifications, such as bid specifications, scope of service and evaluation criteria. As the prime user, the department is best aware of any special characteristics, any new developments in the field, as well as the technical specifications of the product or service. The Town Manager or designee may review specifications and make suggestions, such as alternate products, when appropriate.

The Town Manager or designee shall strive to assure that all specifications issued by the Town provide for free and open competition among all vendors and preclude lock-in of any vendor or brand, unless items are purchased under approved sole source or sole brand provisions. Any specification may eliminate some vendors or brands if the vendor or brand does not meet the legitimate needs of the City.

There are many different types of specifications; however, all specifications regardless of the type must be clear and complete. A specification is an essential communication link between the Town and the vendor. The specification must clearly and completely express the needs of the Town in such a manner that the vendor will have the same understanding as that of the Town in what is required. The following are some of the more common type of specifications:

1. Brand Name Specification

A specification using one or more manufacturers' brand names, with identifying model numbers, to describe the acceptable items; all other items will be excluded. Since use of a brand name specification is restrictive of product competition, it may be used only when pre-approved by the Town Manager or designee.

2. Brand Name "or Equal" Specification

These specifications describe the characteristics of the item required by reference to a particular manufacturer's product, referring to that product by its brand name and model number. These specifications describe the standards of quality, performance, and other characteristics needed to meet the requirements of the solicitation and invites bids for equivalent products from any manufacturer. These are often used to obtain low-value, commercially available products, such as janitorial supplies, office supplies and chemicals.

3. Design Specification

A design specification is also known as a material and method of manufacture specification. This type of specification spells out in great detail the physical characteristics including size and shape, the materials to be used and the manner in which they are to be assembled or processed. Design specifications may also reference engineering drawings or plans. A design specification is generally not appropriate for standard commercial items; its use being reserved for "made-to-order" products.

When required, the procurement of the design criteria professional shall be pursuant to Florida Statutes, Section 287.055. The procurement of a design-build firm for a design build project shall be in accordance with this Manual and Section 287.055(9) and shall utilize a competitive proposal selection process. The methodology shall also be set forth in the solicitation document.

4. Performance Specifications

Performance specifications describe the functions which must be performed without or with only a limited reference to materials to be used or construction details. Performance specifications are non-restrictive, they spell out standards of performance, define operating limits, describe a specific task, emphasize dependability and reliability and look at the end result. Performance specifications are non-restrictive and encourage vendors to be innovative and propose a variety of means to accomplish a stated performance measure and to determine whether performance specification has been satisfied.

C. PUBLIC NOTICE

Public notice of the ITB, ITN, RFP, RFQ, RFI and LOI generally shall be given not less than ten (10) calendar days prior to the date set forth in the notice for the opening of the responses. Such notice shall be given by posting on the Town's website and/or Town bulletin board, at a minimum, and may be noticed via online service and/or published in a newspaper of general circulation within Palm Beach County. The notice shall state the place, date, and time of the opening of the responses.

D. RESPONSE SUBMISSIONS

All responses shall be submitted online via the bid portal of the Town's website or delivered to the office of Town Clerk. Printed responses delivered to the Clerk's office must be in sealed envelopes and shall be clearly identified with the name and number of the response on the exterior of the envelope.

E. FORMAL OPENING OF RESPONSES

Responses shall be opened by the Town Clerk or designee at the time and place designated in the public notice. The opening shall be witnessed by staff. No late responses shall be accepted or opened if received after the date and time specified in the public notice. All late responses shall be returned unopened to the bidder.

For ITB responses, names and amounts of each bid shall be read aloud by the Town Clerk or designee, and a list of all responses shall be made available for public inspection after the opening.

For RFP, RFQ and LOI responses, a list of the names of all responders shall be prepared by the Town Clerk or designee and made available for public inspection after the opening of the responses.

All response documents shall become the property of the Town and will not be returned to the responders. When the contract is awarded, all documentation produced as part of the contract shall become the exclusive property of the City.

For an RFP, RFQ or LOI response, the Town Manager or designee, or if an evaluation committee's if used and within a reasonable time period after the response opening, request additional or corrective information of the responder concerning his/her responsibility to perform, and the bidder may voluntarily, after bid opening, provide additional or corrective information concerning his/her responsibility as a vendor.

F. MODIFICATION OR WITHDRAWAL OF RESPONSES

Responses may be modified or withdrawn by an appropriate document duly executed and delivered to the office of the Town Manager at any time prior to the submission deadline. A request for withdrawal or modification must be in writing and signed by a person duly authorized to do so. Any modifications made by the Town to the solicitation documents

prior to the opening of the responses shall be by addenda provided in writing to the same potential responders to whom the original solicitation documents were presented.

After expiration of the period for receipt of responses, no withdrawal or modification is permitted, except in extenuating circumstances. If within twenty four (24) hours after responses are opened, any responder files a duly signed written notice with the Town, through the office of the Town Manager and within five (5) calendar days, thereafter demonstrates to the satisfaction of the Town, by clear and convincing evidence, that there was a material mistake in the preparation of the response, or that the mistake is clearly evident on the face of the response document but the intended correct response is not similarly evident, then the responder may withdraw its response document. Thereafter, the responder will be disqualified from further bidding on the contract for which the response was withdrawn.

Section IV

Solicitation Evaluation Process and Award of Contract

Once the solicitation has been completed and all responses have been received and opened, the responses will be evaluated, and a contract awarded as follows:

A. RESPONSIVE AND RESPONSIBLE

1. Responsiveness

Vendors can be determined to be responsive or non-responsive to the solicitation. Vendors are basically responsive to the solicitation if they have provided all the information required as mandatory and have signed the solicitation making the response a bona fide offer. Vendors are basically nonresponsive if they have not provided all the required information or have not signed the solicitation.

Depending on the specifications, vendors who meet or exceed the minimum specifications are considered responsive while those that do not meet the required minimum specifications are considered non-responsive.

2. Responsible

A vendor can also be evaluated to determine if they are “responsible” or “not responsible.” A vendor shall be found to be “not responsible” for reasons including, but not limited to the following;

- The vendor has failed to perform in a satisfactory manner under a prior contract with the Town of Loxahatchee Groves.
- The vendor has shown poor performance based upon comments from previous and current clients, especially those in the governmental sector. The Town reserves the right in all solicitations issued to contact previous vendor clients to determine the satisfaction or dissatisfaction with the work performed.
- A vendor shows a lack of financial resources to assure contract completion on a timely basis.
- A vendor lacks the necessary training and or experience to fulfill the contract requirements with the proper skill level.
- The vendor has inadequate equipment and/or personnel to properly complete all contract requirements in a timely manner.
- The vendor is unable to secure necessary insurance and bonding (if required by the Town).
- The vendor fails to comply with any other factors relating to completion of the contract on a timely basis and in a proper manner as determined by the Town.

B. REJECTION OF RESPONSES

After an initial review of responses, responses may be rejected for any of the following reasons:

- If the evidence submitted by a responder or if investigation of a responder fails to satisfy the Town that the responder is properly qualified to carry out the obligations and to complete the requested work.
- If there is reason to believe collusion exists among responders.
- If the response is not responsive, not delivered by the due date and time or not delivered to the Town Clerk's office, not properly signed or is unsigned, shows serious omissions, alterations in form, additions not called for, conditions or unauthorized alterations, or irregularities of any other kind. The Town reserves the right to waive such technical errors as may be deemed in the best interest of the City.

C. EVALUATION AND AWARD OF CONTRACT - INVITATION TO BID

The contract shall be awarded to the most responsive and responsible responder whose response meets the requirements and criteria set forth in the solicitation documents except as otherwise provided below.

If two or more qualified responders are tied, as reflected by cost, the tie may be broken by the following criteria, presented in order of importance and consideration, as reflected in the solicitation document:

1. Quality of the items or services bid if such quality is ascertainable
2. Delivery time if provided in the response

If the above criteria do not resolve the issue, the award will be given to the response received earliest by the Town as indicated by the Town time clock stamp on the response. This criterion will also be indicated in the solicitation document.

Multiple award contracts may be used only when it is determined by the Town Manager that the use of more than one vendor is in the best interest of the Town.

A recommendation for vendor selection, together with the criteria used for selection, will be presented to Town Council by the Town Manager or designee for approval, along with a request to approve authorization to sign a contract with the recommended vendor.

D. EVALUATION AND AWARD OF CONTRACT - REQUESTS FOR PROPOSALS, REQUESTS FOR QUALIFICATIONS, AND LETTERS OF INTEREST

The award shall be made to the responder whose proposal is the most advantageous to the Town, taking into consideration evaluation criteria set forth in the solicitation document. The vendor selection process may be done through an evaluation committee, (Committee), appointed by the Town Manager and comprised of a member of the user department, together with at least two other members familiar with the goods or services being evaluated. Each committee member shall complete a "Conflict of Interest Statement" upon appointment to the committee and prior to review of submittals (See Attachment 6).

The Committee shall review all qualifications and submittals of those firms responding based on predetermined criteria contained in the solicitation document. The Committee will then score each qualified response using the predetermined criteria.

Depending on the number of qualified responses received, the Committee may reduce the number of responders to be evaluated further to a minimum of three (called a "short list"), based on the ranking (highest points). If less than three qualified responses been received, all qualified responses must be considered. The Committee may choose to hold discussions with all responders on the "short list". Such discussions may encompass formal presentations by each responder.

The format of the discussion must be the same for each responder.

If the Committee requires clarification of the original response, they may request revised proposals.

For an RFP, once the Committee has ranked the qualified responses, the ranking information will be presented to Town Council by the Town Manager or designee with a request for approval along with a request for the proper Town officials to be authorized to negotiate and execute the contract.

For an RFQ or LOI, a recommendation for vendor selection, together with the ranking information, will be presented to Town Council by the Town Manager or designee. Additionally, it will be requested that staff be given direction to negotiate a contract, subject to final Counsel approval.

Following vendor approval by the Council, the next step in the RFQ or LOI process is for the Town Manager and Town Attorney to negotiate a contract with the highest ranked vendor at a compensation determined to be fair and reasonable. If this proves unsuccessful, negotiations will be formally terminated, and negotiations will begin with the next highest ranked vendor. This will continue until an acceptable contract is agreed to or until negotiations with all vendors on the short list have been unsuccessful. If no contract can be negotiated with any vendor on the short list, a new solicitation must be initiated. If a successful contract is negotiated with a vendor, a recommendation will be presented to the Council by the Town Manager or designee to approve the contract with the indicated vendor.

E. NOTICE OF AWARD

Upon approval by the Council, the successful vendor will receive a Notice of Award indicating the vendor's selection. The Notice of Award is contingent on a contract being executed and the required certificates of insurance and applicable bond coverage have been received and approved. If the selected vendor fails to provide the required coverage documents or fails to deliver the signed contract within the specified time, the Town may annul the Notice of Award.

F. BOND RELEASE

All responders' bid bonds, if required for a solicitation, will be retained until the selected vendor has met all requirements for the final contract award. At that time, the bid bonds of the unsuccessful responders will be returned. If the successful vendor fails to meet these requirements and the Town annuls the Notice of Award, the successful vendor's bid bond shall be forfeited.

G. NOTIFICATION TO RESPONDENTS

After the contract award has been finalized, Town Manager or designee will notify the remaining respondents of the selection.

Section V

Public Lands & Property – Public Construction

Construction or improvement of a public building, structure, or other public construction works must be awarded pursuant to a competitive solicitation where the estimated cost of the project equals or exceeds \$25,000. Additionally, Florida Statutes, Section 255.20 applies to projects that are estimated in accordance with generally accepted cost accounting principles to cost more than three hundred thousand dollars (\$300,000), and for electrical work estimated to cost more than seventy-five thousand dollars (\$75,000). The statutory threshold amounts shall be adjusted as set forth at Florida Statutes, Section 255.20(2), and in the event of statutory amendment.

A. OPTIONS FOR CONSTRUCTION CONTRACTING

Options for Construction contracting may include:

- General contractor;
- Town construction management;
- Multiple prime contractors managed by a designated general contractor;
- Construction manager;

- Procurement Officer of the finance department; or
- Design-build; or any other commonly accepted construction method utilized by government or industry which may be used to the benefit of The Town.
- Public-private partnership.

B. APPLICABILITY OF RULES

The Provisions of this Manual as to construction projects, and Section 255.20 requiring a competitive award do not apply:

1. When the project is undertaken to replace, reconstruct, or repair an existing public building, structure, or other public construction works damaged or destroyed by a sudden unexpected turn of events, such as an act of God, riot, fire, flood, accident, or other urgent circumstances, and such damage or destruction creates: An immediate danger to the public health or safety; Other loss to public or private property which requires emergency Town action; or an interruption of an essential governmental service.
2. When, after notice by publication in a locally circulated paper, The Town does not receive any responsive bids or proposals.
3. When the project is undertaken as repair or maintenance of an existing public facility.
4. When the project is undertaken exclusively as part of a public educational program.
5. When the funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent.
6. When the Town has competitively awarded a project to a private sector contractor and the contractor has abandoned the project before completion or The Town has terminated the contract.
7. When Council, after proper public notice, conducts a public meeting under FS. 286.011 and finds by a majority vote of the Council that it is in the public's best interest to perform the project using its own services, employees, and equipment. The public notice must be published at least 21 days before the date of the public meeting at which Council takes final action. The notice must identify the project, the components and scope of the work, and the estimated cost of the project using generally accepted cost-accounting principles that fully account for all costs associated with performing and completing the work, including employee compensation and benefits, equipment costs and maintenance, insurance costs, and materials. The notice and procedures for Council consideration of the measure must further conform to the requirements of Section 255.20(1)(c)(9). Notwithstanding the above, nothing herein shall be construed as making the requirements or remedies set forth at Florida Statutes, Section 255.20 applicable to projects below the thresholds set forth therein. For projects for which the estimated cost is below the thresholds of Section 255.20, the failure to strictly adhere to the procedures set forth in this section for exempting a construction project from a competitive award shall not be grounds for a protest or other legal challenge to Council's final decision.

Section V I

Public Entity Crimes, Code of Ethics, Debarment

The Public Entity Crimes Act, Section 287.133, Florida Statutes as amended, serves to deny to persons convicted of a public entity crime the opportunity to bid on public entity contracts or to supply goods and services to public entities or to otherwise transact business with public entities. A "public entity crime" means a violation of any state or

federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid, proposal, reply, or contract for goods or services, any lease for real property, or contract for the construction or repair of a public building or public work, involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation. Competitive solicitations shall contain a statement informing persons of the provisions of Florida Statutes, Section 287.133 (2) (a), and requiring the bidder, proposer, or respondent to certify whether it or its affiliates, as defined in Section 287.133, has been convicted of a public entity crime. In accordance with Section 287.133(2)(b), The Town shall not accept a bid, proposal, or reply from, award any contract to, or transact any business in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two from any person or affiliate on the convicted vendor list for a period of 36 months from the date the person or affiliate was placed on the convicted vendor list unless the person or affiliate has been removed from the list. A list of convicted vendors is maintained on the MyFlorida.com web site and the Florida Administrative Weekly published by the State of Florida. Additionally, The Town reserves the right to reject any bid, proposal, or reply as non-responsible, even if the contract value is below the Category Two threshold, where the vendor or affiliate is on the convicted vendor list and for a period of 36 months following the date that the person or affiliate was placed on the convicted vendor list, unless that person or affiliate has been removed from the list.

A. CODE OF ETHICS AND CONDUCT

The Town, including Council members, officers, and employees, shall comply with the standards of conduct for public officers, employees and agents set forth in Florida Statutes, Chapter 112, and the Palm Beach County Code of Ethics (Sec. 2-441 et. seq.). To the extent violations of the ethical standards of conduct set forth in this Manual constitute violations of the State Criminal Code they shall be punishable by law or disciplinary actions prescribed in the Town's Employee Manual. Town employees and officers shall refer to Part III, Chapter 112, Florida Statutes and the Palm Beach County Code of Ethics for more definitive guidance and may consult with the designated Ethics Officer within the Town's Legal Department. By way of example only, Section 2-443(d) of the Palm Beach County Code of Ethics prohibits public officials and employees from entering into any contract or transaction for goods or services with their respective county or municipality. Exceptional circumstances and waivers to this prohibition are set forth at Section 2-443(e). Additionally, Section 2-444 provides specific prohibitions as to the acceptance of gifts by Council members, chief executives, employees and advisory board members. The Palm Beach County Code of Ethics is available at: <http://www.palmbeachcountyethics.com/> Note: In order to avoid the possibility of any misunderstandings regarding compliance with the law and regarding any appearance of impropriety relative to the competitive process for awarding contracts, it is highly recommended that no employee or Public Officers accept anything of value offered from vendors, and that their conduct conform with the above referenced statutes and Code of Ethics.

B. AUTHORITY TO DEBAR OR SUSPEND

1. After reasonable notice to the person or company involved and reasonable opportunity for that person or company to be heard, the Purchasing Manager, after consulting with the Town Attorney, shall have the authority to debar or suspend a person or company, whether a prime contractor/consultant or subcontractor/subconsultant, for cause from consideration for award of future contracts. The debarment shall be for a period commensurate with the seriousness of the cause(s) and shall continue for the entire time set by the Purchasing Manager. Where the offense is willful or egregious, an

indefinite term of debarment may be imposed. The Purchasing Manager shall also have the authority to suspend a person or company from consideration for award of contracts if there is probable cause for debarment. If suspension precedes a debarment, the suspension period shall be considered in determining the debarment period. The Purchasing Manager may suspend the person or company for a period of not more than three (3) months. During the period of debarment or suspension, the person or 61 company and its affiliates ("affiliates" shall have the meaning ascribed by Florida Statutes, Section 287.133), or other companies with any officers or principals the same as the suspended company, may not bid on any the Town contracts, regardless of dollar amount, nor be approved as a subcontractor on any the Town contract. A decision to suspend by the Purchasing Manager shall be in writing, mailed or otherwise furnished immediately to the person or company, and considered a conclusive and final act with no right of appeal. Cause for Debarment. The causes for debarment include the following:

- a. Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receipt of stolen property or any other offense indicating a lack of business integrity or business honesty which currently, seriously and directly affects responsibility as a contractor.
 - b. Conviction for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract, subcontract or in the performance of such contract or subcontract.
 - c. Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals.
 - d. Violation of contract provisions, as set forth below, of a character which is regarded by the Purchasing Manager to be so serious as to justify debarment action.
 - i. Deliberate failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or
 - ii. A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for debarment.
 - e. Refutation of an offer by failure to provide bonds, insurance or other required certificates within a reasonable time period.
 - f. Refusal to accept a purchase order, agreement, or contract, or to perform thereon provided such order was issued timely and in conformance with the offer received.
 - g. Presence of principals or corporate officers in the business of concern, who were principals within another business at the time when the other business was suspended or debarred within the last three years under the provisions of this Section.
 - h. Violation of the ethical standards set forth in state law.
 - i. Violation of the Cone of Silence, or other ethical standards provided by the Palm Beach County Code of Ethics.
 - j. Any other cause the Purchasing Manager determines to be so serious and compelling as to affect responsibility as a Town contractor including debarment by another governmental entity for any cause listed in this Section.
2. The Purchasing Manager shall issue a written decision to debar. The decision shall state the reason for the action taken and inform the debarred person or company of its rights to administrative appeal. A copy of the decision for the debarment shall be mailed or otherwise furnished immediately to the debarred person or company.

3. Any person or company that is dissatisfied or aggrieved with the notification of the Purchasing Manager's determination to debar or refusal to reinstate, must, within ten (10) calendar days of such notification, appeal said determination to the Manager in accordance with the procedures contained herein. Said appeal shall be in writing and shall state with specificity the grounds therefore and also the action requested of the Manager and shall include the facsimile and e-mail address of the person or company. The Manager shall attempt to settle or resolve the matter, with or without a hearing and within his/her sole discretion. The Manager shall render a decision, in writing, within ten (10) calendar days following receipt of the appeal. In the event the Manager decides to conduct a hearing, the person or company shall be notified by e-mail and facsimile transmitted to the address and facsimile number set forth in the appeal. Hearings which may be conducted shall be informal, and the Florida Rules of Evidence shall not apply. Irrelevant, immaterial or unduly repetitious evidence shall be excluded. All other evidence of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs may be considered. The decision of the Manager shall be final and binding unless appealed to the Palm Beach County Circuit Court in accordance with the Florida Rules of Appellate Procedure. Institution of a court action prior to following the procedure set forth in this Manual shall be deemed a failure to exhaust administrative remedies.
4. A debarred person or company may only be reinstated upon submission of an application to the Purchasing Manager. The Purchasing Manager shall make a decision on the application within ten (10) calendar days. Each application for reinstatement (after the term of debarment has been completed or no sooner than three years after debarment in the case of an indefinite debarment) shall include the information set forth at paragraphs 1-5 below. Request for reinstatement during the period of debarment shall include the information set forth at paragraphs 1-5 below, and may only be made if: there is new and material evidence not previously available, dismissal of the indictment or charge or reversal of the conviction, or a bona fide change in ownership or management sufficient to justify a finding of present responsibility. Applications for reinstatement shall include:
 - a. The name, address, telephone number, facsimile number and e-mail address of the party making the request or the party's representative.
 - b. A statement of the financial responsibility of the company.
 - c. A statement of facts indicating how the circumstances that led to the debarment have been cured.
 - d. A list of jobs completed during the time between the debarment and the application.
 - e. A list of all departments of the Town for which the person or company has performed work.

Section VII

Contract Management

The purchase order will be the Town's commitment to conduct business with a vendor and will be subject to the approval authority limits delineated later in this section. Vendors may submit quotes or contracts, depending on the process, whether informal or formal, and the dollar amount of the purchase.

For the informal vendor selection process, normally for purchases under \$25,000, the selection will be accomplished through quotes. For purposes of this manual, the term "quote" will include proposed scope of service statements when submitted as a quote. Quotes must be signed by authorized representatives of the responders when submitted

in writing; however, the Town will not normally sign these documents. When a quote requires a signature by a representative of the Town, it will be processed together with the related purchase order and will be subject to the same approval authority limits as a purchase order. In no instance shall the quote be signed by a person not authorized to be the final approving authority on the accompanying purchase order.

Quotes normally relate to goods and identify the type and quantity of the goods to be provided and possibly the associated payment terms. When the proposed goods or services are more complicated, there will normally be more comprehensive terms involved which would necessitate a formal contract requiring the signature of both the vendor and the Town. Formal contracts will always be required for formal competitive vendor selection situations. This will normally be for purchases greater than \$25,000, which require Commission approval.

Once approved by Council, the contract will be processed with the related Purchase Approval Request (PAR). The Town Council or Town Manager if so, authorized will sign the contract at the same time as he/she approves the PAR. As discussed previously, the formal competitive vendor selection process can be utilized for purchases under \$25,000 when the additional effort is justified. The resulting contract will be processed at the same time as the related purchase approval request in accordance with the approval authority limits discussed in "D" below.

Even when a contract has been signed, the vendor is not authorized to begin work until a fully approved purchase order has been issued.

The following sections will discuss contracts and purchase orders used to commit the Town to do business with a vendor.

A. CONTRACTS AND CONTRACT ADMINISTRATION

1. Contract Period

Unless otherwise provided by law, a contract for supplies or services may be entered into for any time period deemed to be in the best interests of the Town provided the extension beyond the current fiscal year, if any, is included in the solicitation and funds are available for the current fiscal year at the time of contracting. Payment and performance obligations for future fiscal years shall be subject to the availability of funds.

2. Price Adjustment.

Contracts may be awarded with the provisions for upward or downward price adjustments provided this allowance is part of the original bid solicitation and the adjustments are based on a nationally recognized or published index or other criteria acceptable to the City.

3. Advance Payments.

The Town may make advance payments not to exceed one (1) year to vendors for maintenance service contracts and lease agreements when it would be economically efficient to do so, or when the vendor offers a discount for advance payments.

4. Amendments.

Any changes to a contract that materially alter the terms and conditions of a contract or provide for a change in the scope and/or timing of the contract, must be contained in a formal amendment to the contract executed by the same authority as the original contract.

5. Insurance Requirements.

All contracts shall contain requirements for the protection of the Town through sufficient insurance as specified in the bid documents. The selected vendor shall be required to obtain, at the vendor's expense, all required insurance coverage and shall submit evidence of insurance to the Town for approval before the contract award will

be finalized. The Town Manager will review insurance certifications, approving those which comply with the requirements of the solicitation. Non-approved certifications will be returned to the user department with the reasons for non-approval and instructions as to how the certification may be corrected by the vendor. The user department shall not allow a contract to be finalized, nor work commence, until the Town Manager has approved the sufficiency of insurance coverage.

6. Payment and Performance Bonds.

When a contract is estimated to exceed two hundred thousand dollars (\$200,000) for the construction of a public building, for the completion of a public work or for repairs upon a public building, or other public work as provided in Florida Statute Section 255.05, as amended, or when the Town Manager or designee deems it to be reasonably necessary to protect the best interests of the Town, the following bonds shall be executed and delivered to the Town Manager or designee before the contract award will be finalized and shall become binding on the parties upon the execution of the contract:

- a. A performance bond guarantees the selected vendor will perform all requirements of the contract. It protects the Town from loss due to the selected vendor's inability to complete the work. A performance bond satisfactory to the Town in an amount equal to one hundred percent (100%) of the price specified in the contract must be provided to the Town and is conditioned on the selected vendor performing the contract in the time and manner prescribed in the contract.
- b. A payment bond guarantees the selected vendor will make all required payments to the subcontractors and suppliers providing goods and services to the selected vendor. A payment bond satisfactory to the Town in an amount equal to one hundred percent (100%) of the price specified in the contract must be provided to the Town and is conditioned on the selected vendor promptly making payments to all persons and entities supplying labor, materials or commodities used directly or indirectly in the performance of the work provided for in the contract.

7. Indemnification.

All vendors shall indemnify and hold harmless the Town, its officers, agents and employees from any injuries or damages received by any person during any operations connected with the construction project, by use of any improper materials, or by any act or omission of the contractor, or subcontractor, agents or employees.

B. CONSTRUCTION CONTRACT REQUIREMENTS

In addition to the requirements under Section A, the following shall apply to construction contracts:

1. Construction Contract Change Orders.

The Town shall have the right, based on a clause contained in each construction contract, to require changes in quantities, additions or deletions of work or other changes within the original intent of the contract. All change orders, where the amount of the entire contract, including the change order, is over \$25,000 shall be approved, in advance, by the Town Council. The approval of change orders equals to or under this amount for both construction contracts and professional design services shall be approved, in advance, by the Town Manager or his/her designee.

2. Amendments to Construction Contracts.

All changes to construction contracts that materially alter the terms and conditions of the contract or provide for a change in scope of the project beyond the original intent, must be contained in a formal amendment to the contract. Such an amendment must be approved with equal dignity and formality as the original contract and signed by the

individuals holding the positions of the original signatories. If the amendment causes the total dollar amount of the contract to move to the next dollar threshold (see "approval authority limits), approval is required, approval must be given as named for that threshold.

C. ONGOING CONTRACT ADMINISTRATION

After the award of any contract, the user department will ensure that both the Town and the vendor are in compliance with all terms and conditions of the contract, including, but not limited to, maintaining current insurance certificates.

In cases where the vendor does not adhere to delivery and specifications or is in technical breach of a contract, the user department must attempt to rectify the situation with the vendor and maintain written record of these attempts. This written record should contain specific instances of non-compliance with the contract requirements and a timeframe for resolution of the issues involved.

In cases where the user department is unable to rectify a breach of contract with the vendor, the user department may recommend to the Town Manager or Town Council (depending on the amount of the contract) that the contract be cancelled, the vendor be suspended or debarred (the Town will no longer conduct business with the vendor), or to begin appropriate legal action through the Town Attorney.

The Town may suspend a contract for a period not to exceed thirty (30) days following a determination by the Town Manager that there has been a material deviation by the vendor from the requirements of the contract. Any suspension of contract shall be provided in writing to the affected vendor within three (3) working days of such determination. The Town reserves the right to obtain goods or services, which are the subject of the contract, from alternate sources during the suspension period.

Contracts originally approved by the Town Council shall be canceled or revoked only after specific Town Council action.

Section VIII

Purchase Orders and Payments for Goods and Services

A. PURCHASE ORDERS

Purchase orders are to be used for all procurements except as provided herein. A fully executed purchase order (PO) is the user department's authority to purchase goods or services. In addition to authorization, purchase orders also provide budgetary control as well as a means to monitor compliance and performance or original specifications including volumes, pricing, timing and receipt. A purchase order must reflect the anticipated total amount of business to be done with a vendor for the year. The total shall not be broken into smaller amounts to keep from crossing a dollar threshold with additional approval requirements, including the requirement for formal competitive vendor selection. Without exception, all PO's must be fully approved before the issuing department may place the order. This is true even when a contract with the vendor has been fully executed. Supporting documentation must be maintained for all purchases and forwarded, as discussed below.

A purchase order is the vendor's authorization to ship goods or perform services as specified. The purchase order constitutes a contract (in some instances a second contract if a more formal contract is also being utilized) between the Town and the vendor, and as such, is a legal document. The purchase order also reserves (encumbers) the funds within the financial system so the funds cannot be allocated for other purposes before the transaction has been completed and the purchase order fully closed out.

A purchase order will normally be for a specified dollar amount for specified goods or services. Additionally, an open end or blanket purchase order can be issued for a specific

not to-exceed dollar amount and may also be for a specific length of time, not to exceed one fiscal year. The open end or blanket purchase order is utilized to facilitate multiple purchases from a single vendor over a given term as well as for contract payments. Such purchase orders are used to

1. establish an accounting record for routine periodic payments of recurring operating expenses;
2. develop a purchasing relationship, in advance, for repetitively purchased commodities and services. The Blanket Purchase Order is used when the prices or discounts, terms and conditions, and length of contract have been established.

Examples of commodities and services that are expected to be purchased more than once and should be on a Blanket Purchase Order are as follows

1. Gasoline
2. Leases Monthly, quarterly or other periodic recurring payments for services only, e.g., quarterly outside lab testing
3. Insurance
4. Payments on contracts
5. Supplies and materials purchased on a fixed monthly contract and certain recurring purchases of supplies and materials include in budget and approved by Manager or designee.

Purchase orders are not required for certain vendors; where there is no procurement process. For instance, utilities and phone service.

The PO preparer will use the financial system to prepare a PO, including requesting authorization to purchase goods or services. The preparer will enter sufficient information to convey the need for the purchase and include supporting documentation, which varies, depending on the basis of the purchase order. All information related to the purchase order, including but not limited to items listed in Table 3 below, will be scanned into system and maintained in vendor and contract files

* Town Purchasing Ordinance No. 2020-02

**Consultants Competitive Negotiations Act, Florida Statutes 287.055

In addition to the required documentation noted in the table above, all purchases which have been submitted to the Town Council for approval must be accompanied by a fully executed Resolution or other approval documentation. When an exception to the formal vendor competitive selection process has been used, the justification must be clearly identified and documented.

1. Approval. Purchase orders and supporting documentation must be approved by Town Manager or designee and include signature of department director and accounting department with respect to funding sufficiency.
2. Changes. Changes on purchase orders may be made at the department user when the change does not exceed 5% or \$50.00 (whichever is greater) of the total amount of the purchase order.
 - a. When a change exceeding 5% or \$50.00 of the total on the Purchase Order is required, the initiating department requests the change by forwarding a written request and brief explanation to the Town Manager or designee for approval. Freight, shipping & handling charges & back-order related changes do not require an explanation.
 - b. If the original PO total was under \$10,000.00 and the change will make the total over \$10,000.00 then a PO Approval form must be filled out and routed for proper approval signatures.
 - c. If the original PO was awarded by Council action, and a change order is being made, sufficient documentation (copy of the resolution, change order, written authorization from the Town Manager etc.) authorizing the change must be submitted before further processing.
 - d. If the original PO total was for less than \$10,000.00 and the change will make the total over \$10,000.00 then the change order must be approved by Council before further processing.
 - e. Changes may also be done to correct errors, omissions, or discrepancies; cover acceptable overruns and freight costs; and incorporate requirements to expand or reduce the scope of goods or services order.
3. Liquidations. A purchase order is liquidated when a partial receipt has been done on a purchase order and the remainder of the total will not be received. When a liquidation is done, the purchase order is closed, and no other transactions can take place against that particular purchase order. Any remaining funds that had been encumbered on that purchase order are released back into the account that had been encumbered.

Accounts Payable is notified by the using department when a purchase order is to be liquidated. The using department documents on the purchase order to liquidate the balance after the invoice has been processed. Accounts Payable then notifies the Town Manager or designee of any purchase orders to be liquidated.

B. INVOICES

Invoices are itemized statements of goods or services provided and are a means of settlement of financial obligations. The timeliness of processing invoices may affect the relationship between the Town and its vendors and must be processed within 30 days of receipt (20 days in the case of construction services), per State Statute 218.70, Local Government Prompt Payment Act. Invoices should contain the following basic information:

- Purchase order number (if applicable)
- Itemized listing of materials or services rendered
- Quantity of each item
- Unit price with extensions
- Discount terms if applicable
- Services provided, including hours and billing rates where applicable

C. SALES TAX

The Town is exempt from sales tax on all direct vendor purchases. Payments made directly to vendors shall exclude any calculation for the payment of sales tax. Staff shall be reimbursed for sales tax paid on small taxable transactions made with personal funds as necessary on behalf of the Town.

D. PAYMENT

1. **Payment on Purchase Order.** The PO instructs vendors to send invoices directly to the user department. The user department should hold the PO while waiting for an invoice. The Town will pay only from an original invoice and not a fax copy or photocopy. The user department will follow the PO "receiving" procedures [as required by the financial system upon completion of implementation] and will then forward the original invoice, with the required approval signatures, and a copy of the PO for payment. Only individuals authorized to normally receive goods or services may do so. The receiving individual must certify that the quantity, brand name, or model ordered is received or that the required services have been provided.
2. **Payment on Check Request.** Check requests should be used only in exceptional situations.
3. **Payment on Petty Cash.** In some instances, it may be necessary for a staff member to go to a local store to purchase small items, in total under \$200, without a purchase order. The staff member will be reimbursed through a Check Request form signed by Town Manager or designee and submitted for payment.

Bids, proposals or other responses requested that are submitted after the due date and time will be disqualified from further consideration.
 - b. Waiver of irregularities. The town manager/town council shall have the authority to waive all nonmaterial irregularities on any and all bids, proposals or other responses requested. Nonmaterial irregularities are those irregularities which do not substantially affect price and/or competition.

ADA Compliance Guidelines

Information and technology need to be accessible. Accordingly, all information and technology purchases to be used by more than one person require an accessibility review for ADA compliance prior to purchase.

A. CONTRACTS

When a contract is used to engage a company to provide programs and services to the Town it is recommended that the following language be incorporated into the contract, or added as an addendum:

_____(Company) acknowledges and warrants that their Programs and services are currently in compliance and during the Term of this Agreement shall remain in compliance with all applicable Federal disabilities laws and regulations, including without limitation the accessibility requirements of Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d), and its implementing regulations set forth at Title 36, Code of Federal Regulations, Part 1194. _____(Company) agrees to promptly respond to, resolve and remediate any complaint regarding accessibility of its products or services in a timely manner and provide an updated version to Customer at no cost. Customer reserves the right to request, from _____(Company), a timeline by which accessibility standards will be incorporated into the Programs and _____(Company) shall provide such a timeline within a commercially reasonable duration of time. _____(Company) further agrees to indemnify and hold harmless Customer from any claims arising out of its failure to comply with the requirements of this section. Failure to comply with these requirements shall constitute a material breach of this Agreement and shall be grounds for termination of this Agreement by Customer as set forth in Section _____. These warranties will not apply if the Programs are: (i) modified or altered in any way (other than by _____(Company) or with the specific prior written consent of _____(Company)); (ii) not updated with the corrections, patches, fixes, updates, improvements or enhancements that _____(Company) may make available from time to time; (iii) used in any manner or for any purpose not specifically permitted by this Agreement or the documentation.

B. CONTRACT RENEWALS

When a contract is renewed, an accessibility compliance clause or addendum (similar to what is above) should be added to the contract if it does not already appear. In addition, an accessibility review of the product is required if the contract does not have an accessibility clause or addendum. If the product is not fully accessible, an accessibility exception may be made depending on circumstances and the vendor contacted to determine remediation timeframe.

C. PAYMENT/MAINTENANCE ON EXISTING CONTRACTS

Once a contract has been signed, subsequent payments to the vendor (i.e. to pay for maintenance) will not require an accessibility review unless the contract (or maintenance contract) is being renewed. If the contract is being renewed, an accessibility compliance clause or addendum (similar to what is above) should be added to the contract. If the accessibility clause or addendum is not added to the new contract, then the product must be reviewed for accessibility and will require an accessibility exception if the product is not fully accessible.

Current invoices and additional licenses for an existing product previously purchased (prior to adoption of accessibility review requirement), can be processed without requiring an accessibility review until renewal but no greater than 2 years.

D. “OFF-THE-SHELF” OR BOXED PRODUCTS

When working with “off the shelf” or boxed products (for instance, pre-packaged products from a vendor such as shrink-wrapped software or on-line downloads):

1. Request information with respect to the accessibility of the products from sales representatives or by direct contact with the manufacturer. Suggested wording is:

The Town requires that all information and technology must be compliant with Sections 504 and 508 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act of 1990, as amended, and other related local, state, and federal laws, as well as other related Town policies. Please provide either a statement on the accessibility of [name of product or service], or a current Voluntary Product Accessibility Template (VPAT) for the software? If [name of product or service] is not fully compliant, do you have (or would you be willing to create) a roadmap for accessibility that can be provided to the Town?

2. Search for '508' or 'VPAT' on the manufacturer's website

Regardless of method, the product must be reviewed for accessibility.

E. RFP, RFQ, OR RLI LANGUAGE

The following wording with respect to accessibility is recommended an RFP, RFQ or RFI for information or technology products or services:

In the requirements section include:

Accessibility:

The Town requires that all purchases be accessible according to Sections 504 and 508 of the Rehabilitation act of 1973, as amended, and the Americans with Disabilities Act of 1990, as amended.

In section listing the various questions that vendors need to respond to include:

Accessibility

- x.x.0. Are all interfaces (both for administrators and end-users) that are part of your product compliant with Section 508 and/or WCAG 2.0 AA?
- x.x.1. Describe your accessibility conformance testing process.
- x.x.2. Have you ever worked with Accessibility as a functional requirement?
- x.x.3. Who will pay to remediate any necessary fixes after purchase?
- x.x.4. Provide a Voluntary Product Accessibility Template (VPAT) for your product.
- x.x.5. If your product is not fully accessible, do you have a roadmap to make your product fully compliant? If so, include your roadmap.

F. WEBSITE OR WEB-BASED CONTENT CREATED OR PROVIDED BY A VENDOR

Although the vendor must provide accessibility testing results, there should be a clause in the contract for remediation of the site or content if it is determined that the site is not fully accessible. The clause should also state that remediation must be done in a reasonable timeframe at no charge to the Town, provided there is still an active maintenance contract.

G. DOCUMENTATION

If a VPAT (Voluntary Product Accessibility Template) has sections that are labeled as “Supports with Exceptions” or “Not Supported” then the product is not fully

accessible and other products which are fully accessible should be considered. If a VPAT is not available, but the vendor has an accessibility statement, it should clearly state if the product is fully accessible, or compliant, with Section 508 of the Rehabilitation Act, as amended, or (if web-based content) WCAG 2.0.

If the product is fully accessible, the information (e.g. a URL to the accessibility statement or VPAT, or written statement from vendor stating full compliance) must be included with the contract, purchase order and subsequent invoices.

H. ACCESSIBILITY EXCEPTIONS

In the event that no product which meets the Town's business needs is fully accessible or the product selected does not have a VPAT or a statement of accessibility, the Town Manager may grant exception based on circumstances. The approval of exception should be electronically attached to the vendor file and purchase orders indicating that it has been approved for purchase(s) for the specified period.

Such notice shall set forth the basis for any dissatisfaction and suggest corrective measures. If the CONTRACTOR does not remedy defaults within the allotted time or commence good faith steps to remedy the default to the reasonable satisfaction of the Town Manager, the TOWN may take such action to remedy the default and all expenses related thereto shall be borne by the CONTRACTOR including, without limitation, utilization of another CONTRACTOR to provide for such work; and/or, the TOWN may withhold any money due or which may become due to the CONTRACTOR for such expense and/or work related to the claimed default. Alternatively, or in addition to the foregoing, if after three (3) days the CONTRACTOR has not remedied defaults or commenced good faith steps to remedy defaults to the satisfaction of the Town Manager, the TOWN may elect to terminate this Agreement. No compensation shall be paid for de-

mobilization, take-down, disengagement wind-down, lost profits or other costs incurred due to termination of this Agreement under this paragraph 8.1.

8.2 Notwithstanding paragraph 8.1, the TOWN reserves the right and may elect to terminate this Agreement at any time, with or without cause, upon notice from the TOWN Manager. At such time, the CONTRACTOR would be compensated only for the goods provided to the date of termination. No compensation shall be paid for demobilization, take-down, disengagement wind-down, lost profits or other costs incurred due to termination of this Agreement under this paragraph 8.2.

9. INSURANCE

9.1 The CONTRACTOR, **if delivering the material to the Town**, shall, at its own expense, procure and maintain throughout the term of this Agreement, with insurers acceptable to the TOWN, the types and amounts of insurance conforming to the minimum requirements set forth below. The CONTRACTOR shall not commence services until the required insurance is in force and evidence of insurance acceptable to the TOWN has been provided to, and approved by, the TOWN. An appropriate Certification of Insurance shall be satisfactory evidence of insurance. Until such insurance is no longer required by this Contract, the CONTRACTOR shall provide the TOWN with renewal or replacement evidence of insurance at least thirty (30) days prior to the expiration or termination of such insurance.

A. The CONTRACTOR shall maintain, during the life of this Agreement, commercial general liability, including contractual liability insurance in the amount of \$1,000,000 per occurrence and \$2,000,000 aggregate, to protect the CONTRACTOR from claims for damages for bodily and personal injury, including wrongful death, as well as from claims of property damages which may arise from any operations under this Agreement, whether such operations be by the CONTRACTOR or by anyone directly employed by or contracting with the CONTRACTOR.

B. The CONTRACTOR shall maintain, during the life of this Agreement, comprehensive automobile liability insurance in the minimum amount of \$1,000,000 combined single limit for bodily injury and property damages liability to protect the CONTRACTOR from claims for damages for bodily and personal injury, including death, as well as from claims for property damage, which may arise from the ownership, use, or maintenance of owned and non-owned automobiles, including rented automobiles whether such operations be by the CONTRACTOR or by anyone directly or indirectly employed by the CONTRACTOR.

Any insurance, or self-insurance, maintained by the TOWN Council shall be excess of, and shall not contribute with, the insurance provided by the CONTRACTOR. Except as otherwise specified, no deductible or self-insured retention is permitted.

9.4 Neither approval nor failure to disapprove insurance furnished by the CONTRACTOR shall relieve the CONTRACTOR from responsibility to provide insurance as required by this Agreement.

9.5 The CONTRACTOR's failure to obtain, pay for, or maintain any required insurance shall constitute a material breach upon which the TOWN may immediately terminate or suspend this Agreement. In the event of any termination or suspension, the TOWN may use the services of another contractor without the TOWN incurring any liability to the CONTRACTOR.

9.6 At its sole discretion, the TOWN may obtain or renew the CONTRACTOR's insurance, and the TOWN may pay all or part of the premiums. Upon demand, the CONTRACTOR shall repay the TOWN all monies paid to obtain or renew the insurance. The TOWN may offset the cost of the premium against any monies due the CONTRACTOR from the TOWN.

10. WAIVER OF BREACH

10.1 The waiver by either party of any breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach of that same or any other provision.

11. INDEMNITY

11.1 The parties recognize that the CONTRACTOR is an independent contractor. The CONTRACTOR, **if delivering material to the Town**, agrees to assume liability for and indemnify, hold harmless, and defend the TOWN, its council members, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent

If the CONTRACTOR assumes control of the defense of any third-party claim in accordance with this paragraph, the CONTRACTOR shall obtain the prior written consent of the TOWN before entering into any settlement of such claim. Notwithstanding anything to the contrary in this Section, the CONTRACTOR shall not assume or maintain control of the defense of any third party claim, but shall pay the fees of counsel retained by the TOWN and all expenses, including experts' fees, if (i) an adverse determination with respect to the third party claim would, in the good faith judgment of the TOWN, be detrimental in any material respect to the TOWN's reputation; (ii) the third party claim seeks an injunction or equitable relief against the TOWN; or (iii) the CONTRACTOR has failed or is failing to prosecute or defend vigorously the third party claim. 13. ASSIGNMENT

13.1 Nothing under this Agreement shall be construed to give any rights or benefits to any party other than the TOWN and the CONTRACTOR. The CONTRACTOR shall not assign any right or interest in this Agreement, and shall not delegate any duty owned, without the TOWN's prior written consent. ARTICLE 6

6.1 EVENTS OF DEFAULT. The occurrence of any one or more of the following shall constitute an "Event of Default" hereunder:

6.1.1 Failure of either party to pay any amount required hereunder within ten (10) days after receipt by that party of written notice of such failure; or

6.1.2 Failure of either party to perform any other covenant, condition, agreement or provision contained herein within thirty (30) days after receipt by that party of written notice of such failure;

6.1.3 A breach or default by either party of any of the terms of the Agreement; or

6.1.4 Commencement of bankruptcy, insolvency, assignment for the benefit of creditors or receivership proceedings in respect of lessee. If the performance of any covenant, agreement, obligation or undertaking (exclusive of payment or monetary obligations of Lessee hereunder) required hereunder is delayed, hindered or prevented by reason of strikes, lock-outs, labor troubles, wars, civil commotions, Acts of God, governmental restrictions or regulations or interferences, fires or other casualty, or any circumstances beyond the control of the party obligated or permitted under the terms hereof to do or perform the same, the performance of such covenant, agreement, obligation or undertaking shall be excused and extended and shall not be an Event of Default for the period of such delay, hindrance or prevent.

6.2 REMEDIES. Upon the occurrence and continuance of an Event of Default, the non-defaulting party may, at its option and without any obligation to do so, elect any one or more of the following remedies:

6.2.1 Terminate and cancel this Lease; or

The parties hereby irrevocably waive, to the fullest extent permitted by law, trial by jury on any action, proceeding or counterclaim, whether at law or equity, brought by either of them.

ARTICLE 7

7.1 ENVIRONMENTAL ASSESSMENT.

7.1.1 Within sixty (60) days of the date of this Lease, Lessee may, at its own expense, have the Premises inspected to determine if the Premises are in compliance with all municipal, state and federal environmental, environmental protection and toxic waste laws, health and safety laws, and all ordinances, codes, rules and regulations promulgated thereunder ("Laws"). Lessee may commission any environmental assessment or perform other tests deemed necessary by Lessee on the Premises at its sole cost and expense.

7.1.2 Inspection by Lessee shall not release Lessor from any future environmental liability.

7.1.3 **"Hazardous Material"** means any solid, gaseous or liquid wastes (including hazardous wastes), regulated substances, pollutants or contaminants or terms of similar import, as such terms are defined in any Environmental Law, and shall include, without limitation, any petroleum or petroleum products or by-products, flammable explosives, radioactive materials, asbestos in any form, polychlorinated biphenyls and any other substance or material which constitutes a threat to health, safety, property or the environment or which has been or is in the future determined by any governmental entity to be prohibited, limited or regulated by any Environmental Law.

7.1.4 **"Environmental Law"** means any and all present or future federal, state or local laws, rules, regulations, codes, ordinances, or by-laws, and any judicial or administrative interpretations thereof, including orders, decrees, judgments, rulings, directives or notices of violation, that create duties, obligations or liabilities with respect to: (i) human health; or (ii) environmental pollution, impairment or disruption, including, without limitation, laws governing the existence, use, storage, treatment, discharge, release, containment, transportation, generation, manufacture, refinement, handling, production, disposal, or management of any Hazardous Material, or otherwise regulating or providing for the protection of the environment.

7.2 REMEDIATION AND COMPLIANCE WITH LAWS. Notwithstanding any other provision of this Lease, if any hazardous substances, hazardous materials, toxic substances or other similar or regulated substances, residues or wastes, pollutants, petroleum products and by-products, including any other environmental contamination whatsoever (collectively "Contamination") are found, irrespective of causation then Lessee shall have the option of either: (i) enter into a written agreement with Lessor providing for the necessary hazardous substance remediation, removal, disposal or other action to bring the Premises into compliance with the applicable laws; (ii) immediately terminate the Lease and be refunded any and all deposits and prepaid rents paid Lessor and thereafter be relieved of all further duties and responsibilities under this Lease; or (iii) accept the Premises in its then existing condition without jeopardizing any rights or remedies under the Lease. Lessee's option hereunder shall not act as a waiver or otherwise affect lessee's election to remove any hazardous substances, hazardous materials or asbestos.

7.3 CONTAMINATION LIABILITY. Notwithstanding any other provision of this lease, Lessor shall be solely responsible for and agrees to indemnify, defend and hold harmless Lessee, its employees, agents, officers, directors, heirs and assigns, from and against any and all fines,

suits, claims, demands, penalties, liabilities, costs or expenses, losses, settlements, remedial action requirements and enforcement actions, administrative proceedings and any other actions of whatever kind or nature, including attorneys' fees and costs (and costs and fees on appeal), fees of environmental consultants and laboratory fees, known or unknown, contingent or otherwise, arising out of or in any way related to the discovery, remediation, or disposal of said Contamination under this Lease, including any personal injury (including wrongful death) or property damage (real or personal) arising therefrom, except to such liability which was solely caused by Lessee or the Lessee's agents, officers, employees, invitees, guests, independent contractors, and other personnel, during the term of this Lease. This paragraph shall survive the termination or earlier expiration of this Lease.

7.4 LESSOR'S REPRESENTATIONS. Lessor, to the best of its knowledge, is not aware of any past or present release of Contamination on, under or surrounding the Premises and has not received any warning notices, notice of violations, administrative complaints, judicial complaints or other formal or informal notices from any environmental or governmental agency alleging that conditions on, under or surrounding the Premises are in violation of any Laws. Lessor has provided copies to Lessee, in whatever capacity and in whatever form obtained, any and all information relating to Contamination on the Premises.

7.5 LESSEE'S OBLIGATIONS. If Lessee ever has knowledge of the presence in or upon the Premises of hazardous or toxic materials, Lessee must immediately notify the Lessor in writing. Any disposal of hazardous materials, whether by the Lessee agents, officers, employees, invitees, guests, independent contractors, and other personnel, or a third party performing work on behalf of Lessee, shall be reported to the Lessor immediately upon knowledge thereof by the Lessee. The Lessee shall be solely responsible for the entire cost of remediation and clean up of any hazardous materials upon the Premises, or emanating from the Premises, or onto adjacent lands, as a result of the Lessee's or the Lessee's agents, contractors, or employees disposal or release of hazardous materials in the exercise of the rights granted by this Agreement. The Lessee agrees to indemnify, defend and hold the Lessor harmless from and against any and all claims, suits, judgments, losses, damages, fines, or other liabilities, which may be incurred by the Lessor, including reasonable attorney's fees and costs, which may arise directly or indirectly or proximately, from any violation by Lessee, its agents, contractors, or employees of federal, state or local laws or regulations pertaining to hazardous materials in the exercise of the rights granted by this Agreement. Any such indemnification by Lessee shall only be to the extent authorized in Chapter 768, Florida Statutes, and shall not constitute a waiver of any statutory or constitutional sovereign immunity protections.

7.6 OBLIGATIONS UNCONDITIONAL. Each party's obligations under this Article 7 shall survive termination of this Lease and shall not be abated, diminished or eliminated for any reason, including any representations made by Lessee regarding inspections, maintenance, insurance or acceptance of the Premises, if such were ever made.

ARTICLE 8

8.1 INDEMNIFICATION. Each party will indemnify and save harmless the other of and from any and all fines, suits, claims, demands, penalties, losses and actions (including attorneys' fees) for any injury to persons or damage to or loss of property in or about the Premises caused by the negligence, willful misconduct or breach of this Lease by such party, its agents,

employees, business invitees or guests, or arising from such party's use of the Premises to the extent allowable by law.

8.2 REASONABLE CONSENT. Any consent or approval of either party required hereunder shall not and may not be unreasonably withheld unless this Lease provides that such consent or approval is within the sole discretion of such party.

8.3 ACCESS TO PREMISES. Lessor may, at reasonable and mutually agreeable times, but with at least twenty-four (24) hours advance notice to Lessee, (except in cases of emergencies) enter the Premises to make a walk-through examination and to make any necessary repairs on the Premises.

8.4 BROKERS. Each of the parties represents and warrants there are no claims for brokerage commissions or finders' fees in connection with the execution of this Lease. Each of the parties agrees to indemnify and hold harmless the other from any and all liabilities, costs and expenses (including attorneys' fees) arising from any such claim.

8.5 RELATIONSHIP OF PARTIES. The relationship between the parties hereto shall be as independent contractors and neither party shall be deemed the employee, agent, partner or joint venturer of the other.

8.6 NO WAIVER. No delay in exercising or omission of the right to exercise any right or power by either party shall impair any such right or power, or shall be construed as a waiver of any breach or default or as acquiescence thereto. One or more waivers of any covenant, term or condition of this lease by either party shall not be construed by the other party as a waiver of a continuing or subsequent breach of the same covenant, provision or condition. The consent or approval by either party to or of any act by the other party of a nature requiring consent or approval shall not be deemed to waive or render unnecessary consent to or approval of any subsequent similar act.

8.7 ATTORNEYS' FEES. In the event of any controversy arising under or relating to the interpretation or implementation of this Lease or any breach thereof, the prevailing party shall be entitled to payment for all costs and attorneys' fees (both trial and appellate) incurred in connection therewith.

8.8 ENTIRE LEASE. This Lease together with any Exhibits or attachments hereto and other written agreements entered into contemporaneously herewith constitutes and represents the entire agreement between the parties hereto and supersedes any prior understandings or agreements, written or verbal, between the parties hereto respecting the subject matter herein. This Lease may be amended, supplemented, modified or discharged only upon an agreement in writing executed by all of the parties hereto. This Lease shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns, subject, however, to the limitations contained herein. In the event any provision of this Lease shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

8.9 APPLICABLE LAW. This Lease and the performance thereof shall be governed, interpreted, construed and regulated by the laws of the State of Florida and venue for any action arising out of this Lease shall be in Palm Beach County, Florida.

8.10 SUBORDINATION. This Lease is and shall be subject and subordinate, at all times, to the lien of any mortgages or deeds of trust which now affect the Premises; provided, however, that so long as Lessee shall not be in default in the performance of its obligations under this Lease, neither this Lease nor Lessee's right to remain in exclusive possession of the Premises shall be affected or disturbed by reason of any default under such mortgage or deed of trust, and, if such mortgage or deed of trust shall be foreclosed or if such mortgagee or trustee shall exercise any of its remedies under such mortgage or deed of trust, this Lease and all of Lessee's rights and obligations hereunder shall survive such foreclosure and continue in full force and effect.

8.11 NOTICES. All notices and other Amended and communications under this lease shall be in writing and shall be deemed to have been given three (3) business days after deposit in the mail, designated as certified mail, return receipt requested, postage-prepaid, or one (1) business day after being entrusted to a reputable commercial overnight delivery service, or when sent by telex or telecopy on a business day addressed to the party to which such notice is directed at its address determined as provided in this Section 8.11 with customary confirmation of receipt of such telex or telecopy received. Any party hereto may change the address to which notices shall be directed under this Section by giving ten (10) days written notice of such change to the other party.

8.12 INTERPRETATIONS. This Lease shall not be construed more strictly against one party than against the other merely because it may have been prepared by counsel for one of the parties, it being recognized that both parties have contributed substantially and materially to its preparation.

8.13 TIME OF THE ESSENCE. Time of performance by either party of each and every term, covenant, condition or provision herein contained is of the essence.

8.14 BINDING EFFECT. Nothing contained in this Lease or in the indemnification clause provided herein, shall be construed as a waiver of those entitlements to sovereign immunity in respect
