

Town of Loxahatchee Groves

155 F Rd. Loxahatchee Groves, FL 33470 – 561-793-2418

Join Us in Shaping Our Community's Future!

The Town is planning important infrastructure improvements, and we want your input! Plus, we're working on a **Resilient Florida Vulnerability Assessment** to understand how climate change and sea-level rise impact our community—this is especially critical to us as we already face flooding throughout our community.

Why It Matters:

- Improve safety and drainage for a better quality of life.
- Identify critical assets in town and other areas at risk from flooding and sea-level rise.

Your Voice Counts: Help us decide on priorities, funding, and actions to safeguard our town. This meeting is for input on critical assets, focus areas and historical drainage concerns.

Help Build a Resilient Loxahatchee Groves!

The Vulnerability Assessment focuses on areas at risk from sea-level rise and extreme weather. Your feedback helps us create a stronger, more resilient community.

Why Participate?

- Ensure our resilience strategies match community needs.

How to Get Involved: Community Workshops at Town Hall

- Email us your thoughts: Townhall@loxahatcheegrovesfl.gov
- Attend our workshop, or visit: <https://www.loxahatcheegrovesfl.gov/>
