Civility: Being "civil" is not a restraint on the First Amendment right to speak out, but it is more than just being polite. Civility is stating your opinions and beliefs, without degrading someone else in the process. Civility requires a person to respect other people's opinions and beliefs even if he or she strongly disagrees. It is finding a common ground for dialogue with others. It is being patient, graceful, and having a strong character. That is why we say "Character Counts" in Town of Loxahatchee. Civility is practiced at all Town meetings.

Special Needs: In accordance with the provisions of the American with Disabilities Act (ADA), persons in need of a special accommodation to participate in this proceeding shall within three business days prior to any proceeding, contact the Town Clerk's Office, 155 F Road, Loxahatchee Groves, Florida, (561) 793-2418.

Quasi-Judicial Hearings: Some of the matters on the agenda may be "quasi-judicial" in nature. Town Council Members are required to disclose all ex-parte communications regarding these items and are subject to voir dire (a preliminary examination of a witness or a juror by a judge or council) by any affected party regarding those communications. All witnesses testifying will be "sworn" prior to their testimony. However, the public is permitted to comment, without being sworn. Unsworn comment will be given its appropriate weight by the Town Council.

Appeal of Decision: If a person decides to appeal any decision made by the Town Council with respect to any matter considered at this meeting, he or she will need a record of the proceeding, and for that purpose, may need to ensure that a verbatim record of the proceeding is made, which record includes any testimony and evidence upon which the appeal will be based.

Consent Calendar: Those matters included under the Consent Calendar are typically self-explanatory, non-controversial, and are not expected to require review or discussion. All items will be enacted by a single motion. If discussion on an item is desired, any Town Council Member, without a motion, may "pull" or remove the item to be considered separately. If any item is quasi-judicial, it may be removed from the Consent Calendar to be heard separately, by a Town Council Member, or by any member of the public desiring it to be heard, without a motion.

DATE: July 14, 2021

SUBJECT: Consideration of Resolution to Renew/Extend Town Auditor Services 1-Year

The attached Resolution No. 2021-34 is intended to extend our current contracted auditing function to the Town for one additional year, otherwise unchanged in scope and rates for services. The effective renewal of the Town's agreement with Nowlen, Holt & Miner, P.A. for independent annual auditing services; approving a renewal of the agreement for auditing services; authorizing the Mayor to execute the necessary documents in acceptable form to the to implement authorizing the Town Manager and Town Attorney to take such actions necessary to continue concurrent and continuing auditing services in progress for Fiscal Year(s) 2020 & 2021.

With current auditing in progress and scheduled at deadlines for compliance, along with setback delays in staffing and capacity due to COVID-19 and other limiting factors, passage of this extension will allow the town to complete these critical functions and file compliant reports. It is time for the Town to consider a full RFQ for future auditing firm services, which we recommend initiating soon after the current auditing processes are completed and filed to required agencies.

Recommendation: (Staff recommends a motion):

To Pass Resolution No. 2021-34 extending contractual auditing services agreement with Nowlen, Holt & Miner, P.A. as currently contracted for a one year extension to allow completion of current audit programs in progress for the FY20 & FY21 fiscal years.
